

Summerdale Band Supply List

Joey White - Elberta Elementary & Summerdale School Band Director

jwhite2@bcbe.org

All Instruments Supply List

Instrument - Please purchase or rent from a trusted and reliable music store. **Art's Music Shop** (Located in Montgomery) is recommended as they come to our school weekly to do repairs, but **Andy's** (Located in Mobile) and **Schmidt's** (Located in Pensacola) are also reputable stores. If you have any questions or are considering purchasing instruments online, please feel free to reach out. Many instruments purchased online are not built well and do not hold up well compared to trusted brands. If you choose to go the route of purchasing an online instrument(i.e. through Amazon) many music stores in the area may not repair your instrument as they do not always carry the replacement parts, as opposed to known brands.

Tuner - **Tonal Energy Tuner & Metronome** - I personally recommend this app as it has many useful features past the tuner and metronome. It is \$6.99 on app stores and can be used on any smart device. There are also many free options as well, such as **Smart Metronome & Tuner**, and **Tuner T1**

1 Inch Binder

Sheet Protectors

Pencil

Standards of Excellence: Book 1 - Each student will need a copy for their specific instrument.

Music Stand - While not absolutely necessary, it is useful for practicing at home, which I HIGHLY recommend.

Please Find Your Instrument Below!

Flute Supply List

Recommended Brands - Jupiter, Selmer, Pearl, Yamaha, Armstrong, Di Zhao, Emerson, Gemeinhardt

Flute - Open hole flutes will allow players to go further without restrictions, but closed hole flutes are good beginner instruments.

Flute Cleaning Kit
