School-Parent Compact 2026-2027

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade level standards. An effective compact will align with the CIP goals, focus on student learning skills, high-quality curriculum and instruction.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

The parents, students, and staff of Mistral Center for the Early Childhood meet yearly to discuss the student learning needs based on current grade-level data. Our compact is revised based on this discussion. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals. Parents are welcome to contribute comments at any time.

If you would like to volunteer, help, or participate in our school activities, please contact Mr. Valdivia at ovaldivi@houstonisd.org
