

M.D. ROBERTS SCHOOL OF THE ARTS

1821 Walt Stephens Road, Jonesboro, GA 30236

Welcome Letter

2026–2027 School Year

Dear M.D. Roberts School of the Arts Parents and Families,

Welcome to a new school year! My name is Rhonda Jackson, and I am honored to continue serving as your Title I Parent Liaison at M.D. Roberts School of the Arts. Whether you are returning or joining our Ram Family for the first time, I look forward to partnering with you to support your child's success.

A strong Parent and Family Engagement Program is built on meaningful relationships, open communication, and collaboration between families, educators, and the community. My goal is to create a welcoming environment where every family feels informed, supported, and empowered to play an active role in their child's education.

As a proud product of Clayton County Public Schools, having attended CCPS schools, graduated from Clayton State University, and now serving families within the district, it is a privilege to give back to the community that helped shape me.

Throughout the school year, I will provide free parent workshops focused on topics such as literacy, mathematics, technology, state assessments, attendance, social-emotional learning, and other resources that promote student success.

I also encourage you to become involved through volunteer opportunities. I am here to assist families with:

- Becoming an approved school volunteer
- Completing the required volunteer background check
- Participating in family engagement events
- Joining parent advisory opportunities
- Accessing school and community resources
- Connecting with staff when support is needed

Research consistently shows that students achieve more when families are actively engaged in their education. Your partnership makes a meaningful difference, and I look forward to working alongside you throughout the year.

The Parent Resource Center is open Monday through Friday from 8:00 a.m. to 4:00 p.m. I encourage you to stop by, explore our resources, and introduce yourself. Please also visit our school website and sign up for Infinite Campus Parent Portal and Remind to stay informed about important school updates.

Thank you for allowing me to be part of your family's educational journey. Together, we will make the 2026–2027 school year one of growth, collaboration, and success.

Warmest Regards,

Rhonda Jackson
