X. STAFF PRESENTATIONS

1. [Facilities Project Update](#)

Brian McCahon, Director of Facilities, presented the above-linked presentation and reported on summer facilities projects throughout the District. The largest project was completion of the District's portion of improvements to the Buckeye Elementary kindergarten area, including replacement of deteriorated concrete and

improvements to address standing water and drainage concerns. The project cost a little over \$315,000. Additional summer work included seal coating and restriping at Silva Valley and Oak Meadow, roof and dry rot repairs at William Brooks, flooring and irrigation work at Rolling Hills, door hardware upgrades to address fire code requirements, and miscellaneous roof repairs at several sites.

Board Discussion:

Board members asked about staffing and oversight of the facilities projects and commended McCahon and his team for completing a significant amount of work during the short summer period. The Board also discussed the improvements to the Buckeye kindergarten area and future additions to the newly completed concrete surface.

(Brian McCahon, Director of Facilities)

2. [Curriculum and Instruction New School Year Report](#)

Rachelle Ball, Director of Curriculum and Instruction, reported on professional development and instructional activities at the start of the school year. Training included implementation of Magnetic Literacy for elementary teachers; CommonLit 360 and MyPerspectives for middle school ELA; refresher training for the Sunday reading intervention program; and ongoing support for 28 new teachers. Students in grades 1-8 had completed or were nearing completion of the i-Ready Inform reading and mathematics assessments, with teachers and principals beginning to review the resulting data.

Ms. Ball also reviewed August 28 iDay professional development, which included continued Magnetic Literacy training and planning, TK fine-motor/STEM/outdoor learning collaboration, Buckeye Union Mandarin Immersion professional development, IB collaboration and unit planning, de-escalation strategies, physical education dance-unit training and special education updates and planning.

Board Discussion:

Board members discussed which teacher groups participated in Magnetic Literacy training and the implementation of the District's newly adopted instructional materials. Ms. Ball indicated that pacing is currently the primary challenge with first-year implementation and that student growth will be monitored through i-Ready, trimester assessments and state assessment data. Board members also recognized the extensive training and support being provided to staff.

(Rachelle Ball, Director of Curriculum and Instruction)

Following all presentations, the Board will accept Public Comments regarding any presentation(s).

 - Teaching and learning are fully underway across the District.
 - Cross country is beginning at several school sites.
 - Rolling Hills Middle School held a well-attended sixth-grade Back-to-School Night, where teachers helped families learn how to access online portals to monitor assignments and grades and communicate with teachers. The strong turnout reflected the District's supportive and engaged community.
2. Association Reports:
 - Buckeye Teachers Association (BTA) - None
 - California School Employees Association (CSEA) - None
3. Enrollment Report: Jackie McHaney

 - Ms. McHaney discussed factors contributing to declining enrollment, including declining birth rates and housing affordability. She also noted that the Student Support Block Grant requires the District to hold a public hearing on enrollment before the end of the school year and that the District will continue exploring ways to improve enrollment.
4. Charter Quarterly Reports:
 - Rising Sun Montessori: Karl Zierhut - None
 - [Clarksville Charter School Report](#): Shannon Breckenridge, Associate Executive Director
 - i. Shannon Breckenridge, Associate Executive Director, presented the above-linked presentation to the Board which included information on the school's 2026-2027 theme, "Go Out, Make a Difference," staff collaboration and professional development, and current enrollment of 2,677 students, compared with a budgeted enrollment of 2,680. Clarksville maintains a waitlist of approximately 1,500 students and intends to maintain enrollment near its current level rather than pursue significant growth. Ms. Breckenridge also reported on family Back-to-School meetings, the Virtual Academy, improvements to the local Resource Center and its new print shop, and expanded student opportunities. The Virtual Academy provides live online instruction for students in grades 6-12, including CTE pathways, college-credit opportunities and the military program. Adventure Academy provides enrichment opportunities for younger students, and approximately 120 students are participating in Adventure Academy Core for grades 3-5. Additional supports include mental health services, targeted

academic intervention through the Thrive program, student clubs and community events, including the upcoming Carnival of Letters and Numbers.

She shared that neighboring districts reported positive starts to the school year and summer facilities improvements and invited Board members to identify countywide issues for future collaboration. She also reported that Raise the Base was discussed and was already included on the Association's agenda.
- Superintendent Roth provided additional information regarding the Raise the Base coalition, explaining that Buckeye Union School District receives substantially less per-pupil revenue than the statewide average. He reported that nearly 60 districts representing approximately 350,000 students have joined the coalition and that advocacy efforts will continue to raise awareness and seek more sufficient base funding for school districts.

ACTION: Consideration/Adoption of *Resolution No. 27-03*: The 2025-2026 Appropriations Limit Recalculation and the 2026-2027 Estimated Appropriations Limit Calculation (Gann Limit)

SITUATION:

The Gann Limit (named for Paul Gann, the author of Proposition 4, which amended the State Constitution to establish this limit) is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation (represented by per capita personal income) and caseloads (represented by average daily attendance [ADA] for schools).

Established in 1979 following the enactment of Proposition 13 and subsequently amended by Proposition 111, the Gann Limit has become a largely pro forma calculation that no longer constrains governmental expenditures. This is because the limit has grown significantly faster than appropriations subject to the limit.

PLAN:

The plan is to have the Board approve Resolution No. 27-03 adopting the 2025-2026 Appropriations Limit Recalculation and the 2026-2027 Estimated Appropriations Limit Calculation as prepared by staff.

FISCAL IMPACT:

None

LONG RANGE GOAL:

N/A - School agencies are required to perform Gann Limit calculations by the State Constitution.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board approve Resolution No. 27-03 adopting the 2025-2026 Appropriations Limit Recalculation and the 2026-2027 Estimated Appropriations Limit Calculation (Gann Limit) as prepared by staff.

**BEFORE THE GOVERNING BOARD OF THE
BUCKEYE UNION SCHOOL DISTRICT
Resolution No. 27-03**

RESOLUTION FOR ADOPTING THE “GANN” LIMIT

WHEREAS, in November, 1979, the California electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIII B to the California Constitution; and,

WHEREAS, the provisions of that Article establish maximum appropriation limitations, commonly called "Gann Limits", for public agencies including school districts; and,

WHEREAS, the District must establish a Gann Limit for the 2025-26 fiscal year and a projected Gann Limit for the 2026-27 fiscal year in accordance with the provisions of Article XIII B and applicable statutory law; and,

WHEREAS, the change in statutory law enacted by Assembly Bill 439, Chapter 134 of the statutes of 1987, increased the amount of state aid which counts toward the District's Gann Limit; and,

WHEREAS, Section 7902.1 of the Government Code authorizes a District to increase its Gann Limit up to the level of the District's appropriations subject to limitation provided that the District informs the state of this action so that the state shall decrease its Gann Limit by a like amount.

NOW, THEREFORE, THE GOVERNING BOARD OF THE BUCKEYE UNION SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the above recitals are all true and correct.

Section 2. That the Governing Board of the District hereby provides public notice that the attached calculations and documentation of the Gann Limits for the 2025-26 and 2026-27 fiscal years are made in accordance with applicable constitutional and statutory law;

Section 3. That the Governing Board of the District hereby declares that the appropriations in the budget for the 2025-26 and 2026-27 fiscal years do not exceed the limitations imposed by Proposition 4;

Section 4. That District Superintendent or the Superintendent's designee shall provide copies of this resolution along with the appropriate attachments to interested citizens of this District, upon request.

Section 5. The District Superintendent or the Superintendent's designee is further authorized to take any further actions necessary to carry out the intent of this Resolution.

Section 6. In the event any section or portion of this Resolution shall be determined invalid or unconstitutional, such section or portion shall be deemed severable and all other sections or portions hereof shall remain in full force and effect. The Board hereby declares that it would have passed this Resolution and each section, subsection, sentence, clause or phrase irrespective of the fact that any

one or more sections, subsections, sentences, clauses or phrases be declared to be unconstitutional.

BUCKEYE UNION SCHOOL DISTRICT**AGENDA ITEM #: XIV.3.**

ACTION: 2025-2026 Unaudited Actuals Financial Report and 2026-2027 Revised Budget and Adoption of Resolution No. **27-04:** Designating Certain General Funds As Committed Fund Balance

SITUATION:

The District is required to file with the County Superintendent of Schools and the Superintendent of Public Instruction an annual financial report of the District's unaudited revenues and expenditures for the previous fiscal year. To that end, the District has prepared the attached Unaudited Actuals Financial Report.

In addition, Proposition 2 was approved by California voters in 2014 to establish the Public School System Stabilization Account (PSSSA). The intent of this reserve, also referred to as the Proposition 98 rainy day fund is to protect schools by providing stability to the state budget during fiscally challenging periods. Education Code §42127.01(a) further states that when the PSSA balance reaches or exceeds 3% of the total Proposition 98 expenditures, a 10% cap on districts' combined assigned and unassigned reserves is triggered. Per the Governor's 2025-2026 proposed budget, this condition was met and the 10% reserve cap was required for the 2025-2026 fiscal year. What this means is that school districts cannot close their books with more than 10% in reserves for the 2025-2026 fiscal year. School districts with reserves above the 10% cap have three options to satisfy this requirement:

1. Spend down the excess reserves on one-time programs supported by a defined plan;
2. Seek a temporary waiver from the county superintendent per Education Code 42127.01(b); or,
3. Reclassify any unassigned or assigned components of the fund balance to the committed or restricted category of the fund balance consistent with GASB 54.

District staff recommends the Board approve the 2025-2026 Unaudited Actuals Financial Report and proceed in complying with the 10% cap imposed by Education Code §42127.01(a) by adopting Resolution No. 27-04: Designating Certain Funds as Committed Fund Balances for curriculum and personnel.

PLAN:

The plan is to have the Board approve and file, as required, the annual financial report of the District's unaudited revenues and expenditures for the 2025-2026 fiscal year and also to approve the 2026-2027 revised budget as presented. The plan is also to have the Board consider and approve Resolution No. 27-04: Designating Certain Funds as Committed Fund Balances for curriculum and personnel.

FISCAL IMPACT:

None

LONG RANGE GOAL:

Legal requirement and District Goal #2: Maintain Fiscal Integrity & Accountability of the District.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board approve and file, as required, the annual finance report of the District's unaudited revenues and expenditures for the 2025-2026 fiscal year and approve the 2026-2027 revised budget and all transfers necessary to produce both reports. The Superintendent also recommends that the Board approve Resolution No. 27-04: Designating Certain Funds as Committed Fund Balances for curriculum and personnel.

**BEFORE THE GOVERNING BOARD OF THE
BUCKEYE UNION SCHOOL DISTRICT**

RESOLUTION DESIGNATING CERTAIN GENERAL FUNDS AS COMMITTED FUND BALANCE

RESOLUTION NO. 27-04

WHEREAS, the Governmental Standards Accounting Board (GASB) has issued Statement No. 54, establishing a hierarchy clarifying constraints that govern how a government entity can use amounts reported as fund balance; and

WHEREAS, the Buckeye Union School District Governing Board (Board) has previously adopted Board Policy No. 3100 acknowledging its authority to commit, assign, or evaluate existing fund-balance classifications and identify the intended uses of committed or assigned funds; and

WHEREAS, the committed fund balance classification reflects amounts subject to specific internal constraints self-imposed by the Board; and

WHEREAS, once the committed fund-balance constraints are imposed, it requires the constraint to be revised, removed or redirected for other purposes by the Board in the same manner as the Board originally approved the commitment; and

WHEREAS, the Board has determined it has specific needs that it elects to fund with portions of its General Fund ending fund balance.

NOW, THEREFORE, THE GOVERNING BOARD OF THE BUCKEYE UNION SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the above recitals are all true and correct.

Section 2. That pursuant to Board Policy 3100 and GASB 54, that the Buckeye Union School District Board of Education, hereby commits to utilizing portions of its general fund ending balance, as indicated by the committed fund classification in its financial statements, for the following purposes:

Purpose	Justification	Estimated Amount
Curriculum and Personnel Needs (Fund 01)	For future curriculum and personnel.	\$2,100,000

Section 3. That the Governing Board of the District hereby determines that such funds cannot be used for any purposes other than directed above, unless the Board adopts a successor resolution to revise or remove the constraint, or otherwise redirect the funds for other purposes; and

Section 4. That the District's Superintendent, or designee, is hereby authorized and directed to finalize the amounts to be committed for the purposes directed above based on the unaudited actual financial report for fiscal year 2025-2026; and

Section 5. The District Superintendent or the Superintendent's designee is further authorized to take any further actions necessary to carry out the intent of this Resolution.

Section 6. In the event any section or portion of this Resolution shall be determined invalid or unconstitutional, such section or portion shall be deemed severable and all other sections or portions hereof shall remain in full force and effect. The Board hereby declares that it would have passed this Resolution and each section, subsection, sentence, clause or phrase irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared to be unconstitutional.
