

Welcome Back & Parent Meetings

Dear Eastchester Student-Athletes and Families,

Our Athletics Welcome Back Meeting will be held on Wednesday, September 9.

The evening will begin with a 20-minute general athletics meeting where we will review important information and expectations for the fall season.

Following the general meeting, families will break out by team for individual parent meetings with their coaching staff. Coaches will review team expectations, schedules, communication, and other important information for the season. This will also provide families with an opportunity to ask team-specific questions.

Additional information regarding meeting times and locations will be shared before September 9.

Athletic Compact Committee

The Athletic Compact Committee will continue its work this year. The committee includes Principal Welsh, parent representatives from the Sports Club, coaches, and student-athletes, and is scheduled to meet six times between September and May.

This year, the committee will focus on several areas, including:

- Athletic Advancement Process (AAP) criteria and procedures
- Team captain criteria and selection
- Tryout procedures and evaluation criteria
- Increasing school spirit and fan attendance
- Parent and student-athlete feedback
- Procedures that promote consistency, fairness, and transparency across our programs

Athletic Handbook

Families and student-athletes are encouraged to review the Eastchester Athletics Handbook, which outlines important department policies, procedures, and expectations.

SportsYou Communication

As a reminder, [SportsYou](#) is the approved communication platform for Eastchester athletic teams. Coaches will use SportsYou for team announcements, schedules, practice updates, and other team-related communication. Please make sure you are connected to your appropriate team and regularly check SportsYou.

Athletics Website

The [Eastchester Athletics website](#) will remain the central location for important department information, including registration, schedules, start dates, announcements, policies, handbooks, and other resources. We will continue to keep information updated and dated so families have a reliable place to find current information throughout the year.

Thank you for your continued support. I look forward to another great year of Eastchester Athletics.

Go Eagles!
