September 11, 2026

Dear Iroquois Parents/Guardians:

The faculty and staff cordially invite you to our annual Open House. Open House will take place on **Wednesday, September 16, 2025**, from **6:30-8:00 pm**. The format is as follows:

- Both parents/guardians and students are encouraged and welcome to attend the event. We encourage students to show their parents/guardians around the building. Guests will not follow a set schedule and may come and go as they please.
- Teachers will be in their classrooms or stationed at tables near their own classrooms. Math, Science, Art, Business, Physical Education, Technology, Library, and Student Support Services will be stationed on the first floor. English, Social Studies, and World Languages will be on the second floor. Special Education teachers will be located near their own classrooms. Classrooms will be open for you to visit.

Teachers will communicate course expectations and grade-level practices in the areas of homework, notebooks, projects, grading, and extra-help at stations that are set up in the hallways. They can also answer questions about Advanced Placement, dual enrollment, and elective courses that are offered by each department. Due to the open format of this event and our inability to keep conversations confidential, **teachers cannot engage in discussions about individual student progress.**

Juniors and Seniors: We have an additional program during the evening for you and for your parents/caregivers. A **College Application Procedure Night** program will be presented by our High School Counselors from **5:30-6:30 pm**. This event will take place in the High School Auditorium. Furthermore, local college representatives will be on hand to answer questions about the programs that they offer students at a **Mini College Fair** during the Open House event. For more information about important events from our Student Support Services office, visit [ICHS Student Support Events Page](#).

Open House is a very important event of the school year and we strongly encourage your attendance. We are also looking forward to showcasing our great curricular programs! If you have any questions or concerns, please call the High School Main Office at 652-3000, ext. 7001. We look forward to seeing you at this great event!

Sincerely,

Christopher J. Ginestre, Ed.D.

High School Principal
