A Note From Principal Moser

KG parents: we have a number of students that do not have their birth certificates and immunization records on file in the front office. These documents need to be a part of their permanent file. Please get these items submitted at your earliest convenience.

Drop off and pick up have been going much smoother. In an effort to continue improving, please make sure you call the front office no later than 2:30 M-TH and 11:45 on Fridays to let us know if your child's pick up plans have changed. This will ensure we have your child in the appropriate location so they're ready and waiting when you arrive.

WHAT CAN PARENTS DO TO HELP THEIR CHILD BE SUCCESSFUL AT SCHOOL?

To help your child transition into the school routine, focus on building their daily independence and establishing consistent household routines.

Build Daily Independence

- Practice self-help tasks: Teach your child to put on their own shoes, zip jackets, and manage backpacks independently.
- Do lunchbox dry runs: Have your child practice opening and closing food containers, wrappers, and juice boxes by themselves.
- Master bathroom routines: Ensure your child can use the restroom, wipe, flush, and wash their hands without constant reminders.

Establish Routines and Communication

- Set consistent schedules: Start a steady morning and nighttime routines so your child gets roughly 10 hours of sleep each night.
- Connect with the teacher if you have any questions or concerns.
- Ask specific questions: Instead of asking "How was your day?", ask targeted questions like "What did you play on the playground?" to get better conversation flowing.

P.E. NEWS

Hello Clemens Families,

It was a short week in Physical Education class and students learned the beginning class routine. Every day upon entering the gym they touch a poster that reads "Ready to Learn" located on the gym door then they touch their knuckles to mine like a fist bump, run two laps and then find their assigned floor spot and then class begins! Students were introduced to the class behavior expectations which are safe, respectful and responsible. At the end of each class, I select two students who demonstrate safe, respectful and great effort to take home the "P.E. Star Certificate". We played a game of "Simon Says" with movements/ exercises mixed in. Remember tennis shoes on P.E. days! If you need to contact me for any reason email is best at nicholas.burnett@Philomath.k12.or.us.
