ANNUAL REPORT

Introduction

Every school year tells a story.

It is the story of a child who discovers the joy of reading for the first time. A middle school student who finds the confidence to lead. An athlete who learns that character matters more than the final score. A senior who walks across the graduation stage prepared to make a meaningful difference in the world.

These moments don't happen by chance at our Catholic, Marist, International Baccalaureate school. They are the result of a community united by a shared belief: that every child is created for a purpose and deserves the opportunity to discover it.

At Notre Dame Prep, our mission is to form Christians, citizens and scholars who lead with faith, serve with compassion and pursue excellence in every aspect of life. That formation takes place each day: in our classrooms and science labs, on our stages and athletic fields, in our all-school masses, and through countless acts of kindness. It is a journey that challenges students to grow not only in knowledge, but also in character, leadership and faith.

This annual report celebrates some of the remarkable accomplishments of the 2025-2026 school year, but it is equally a celebration of the generous community that made those accomplishments possible.

This year, 913 parents, grandparents, alumni, faculty, staff and friends came together to invest in the future of Notre Dame Prep. Their generosity raised more than \$750,000 for the Notre Dame Fund—the largest annual fund total in the school's 32-year history. Behind that milestone is something even more meaningful than the dollars raised: a powerful vote of confidence in our mission and in the young people entrusted to our care.

As an independent Catholic school, Notre Dame Prep relies on philanthropy to provide opportunities that extend beyond what tuition alone can support. Every gift strengthens academic programs, enriches the arts, enhances athletic experiences, supports exceptional teachers, expands financial assistance and deepens the faith formation that defines a Marist education. Together, these investments ensure that every student has the opportunity to grow into the person God created them to be.

Within this report, you'll read stories of curiosity, leadership, competition, faith and service. They are stories of students who are being formed for more—and they are stories made possible because of you.

Thank you for your generosity and your partnership on this journey together.

LETTER FROM

Stephen V. Pangori, Board Chair

Dear Notre Dame Preparatory School Community,

It is a privilege to reflect on another remarkable year. As I look across our campus community, I am filled with gratitude for the students, families, faculty, staff, alumni, benefactors, and friends whose commitment continues to strengthen our mission and shape the future of our school.

Notre Dame Prep is unique in its ability to accompany students from their earliest days in Pre-K through high school graduation. Along that path, we witness extraordinary growth as young learners become thoughtful leaders, accomplished scholars, dedicated servants, and people of deep faith. Each year, our students inspire us with their achievements in the classroom, on the athletic fields, on the stage, in service to others, and through their daily commitment to living our Catholic values.

As you will see in this report, this year's accomplishments provide countless reasons to celebrate. Our students continued to excel academically, earning recognition for their scholarship and gaining admission to outstanding colleges and universities. They distinguished themselves in athletics, arts, leadership programs, and service initiatives, demonstrating the talent, character, and perseverance that define the Notre Dame Prep experience. Most importantly, they continued to grow as young men and women who seek truth, serve others, and lead with integrity.

These successes do not happen by accident. They are made possible through the dedication of exceptional educators who nurture and challenge our students every day, parents who entrust us with their children, and a generous community whose support extends far beyond our campus boundaries.

On behalf of the Board of Trustees, I offer our sincere thanks to the many donors and benefactors who invest in the mission of Notre Dame Prep. Your generosity strengthens academic programs, enhances student opportunities, supports faculty excellence, and ensures that future generations can benefit from the transformative Catholic education that has become the hallmark of our school. Every gift, regardless of size, reflects a belief in our students and confidence in our future.

As we celebrate this year's accomplishments, we also look ahead with great optimism. Notre Dame Prep remains firmly rooted in its Catholic and Marist traditions while continually preparing students to meet the opportunities and challenges of a changing world. Together, we are building upon a strong foundation and ensuring that our school continues to thrive for years to come.

Thank you for your partnership, your faith in our mission, and your steadfast support. It is an honor to serve this extraordinary community.

Sincerely,

Stephen V. Pangori

Chairman, Board of Trustees

Notre Dame Preparatory School

LETTER FROM

Andrew J. Guest, Head of School

Our school has come a long way over the past 32 years. What began in 1994 as a fledgling high school with 83 students and 13 faculty members has grown into a thriving PreK-12 school serving more than 1,000 students and supported by 158 faculty and staff. It has been an incredible journey.

Our success is the result of many people working together toward a common mission. We are grateful for the support and guidance of the Marist Fathers and Brothers, who help ensure the Catholic identity of our school. We are blessed by the dedication of our teachers and staff, many of whom have devoted their entire careers to Notre Dame Prep. We are fortunate to have a Board of Trustees that generously shares its time, talent, and treasure. We are thankful for the parents who make significant financial sacrifices to provide their children with a Notre Dame Prep education. And we are deeply appreciative of the alumni of St. Frederick, St. Michael, Pontiac

Catholic, Oakland Catholic, Notre Dame High School, and Notre Dame Prep, many of whom have entrusted us with the education of their own children or continue to support the school by attending events, sharing our story, and contributing to the Notre Dame Fund. To each of you, thank you.

The financial realities facing independent schools today are significant. We continually balance competing priorities: keeping tuition as affordable as possible while creating sustainable careers for our teachers and staff; maintaining and improving our facilities while building prudent financial reserves; and making meaningful investments in safety, security, technology, and financial aid, all of which extend beyond what tuition alone can support.

Despite these challenges, our school continues to grow stronger each year. Enrollment remains stable, we operate with a balanced budget, and we have begun building modest financial reserves. We have increased teacher salaries while protecting valuable benefits. Our Gateway Scholarships are attracting more mission-centered students and enhancing the socioeconomic diversity of our community. We now have three endowed scholarships established by former parents and alumni. The Notre Dame Fund continues to reach new heights, and our campus remains well maintained and continually improved.

Most importantly, every year we become better at fulfilling our mission. Students at every grade level receive an exceptional Catholic and Marist education while being formed as Christian persons, upright citizens, and academic scholars. In the end, if we are not leading young people to know Christ and inspiring them to become servant leaders, then we are not fully living our mission.

On behalf of our entire Notre Dame Prep community, thank you for believing in our mission and investing in our future. Every gift, regardless of its size, makes a meaningful difference.

Sincerely,
Andrew J. Guest
Head of School

Lower School

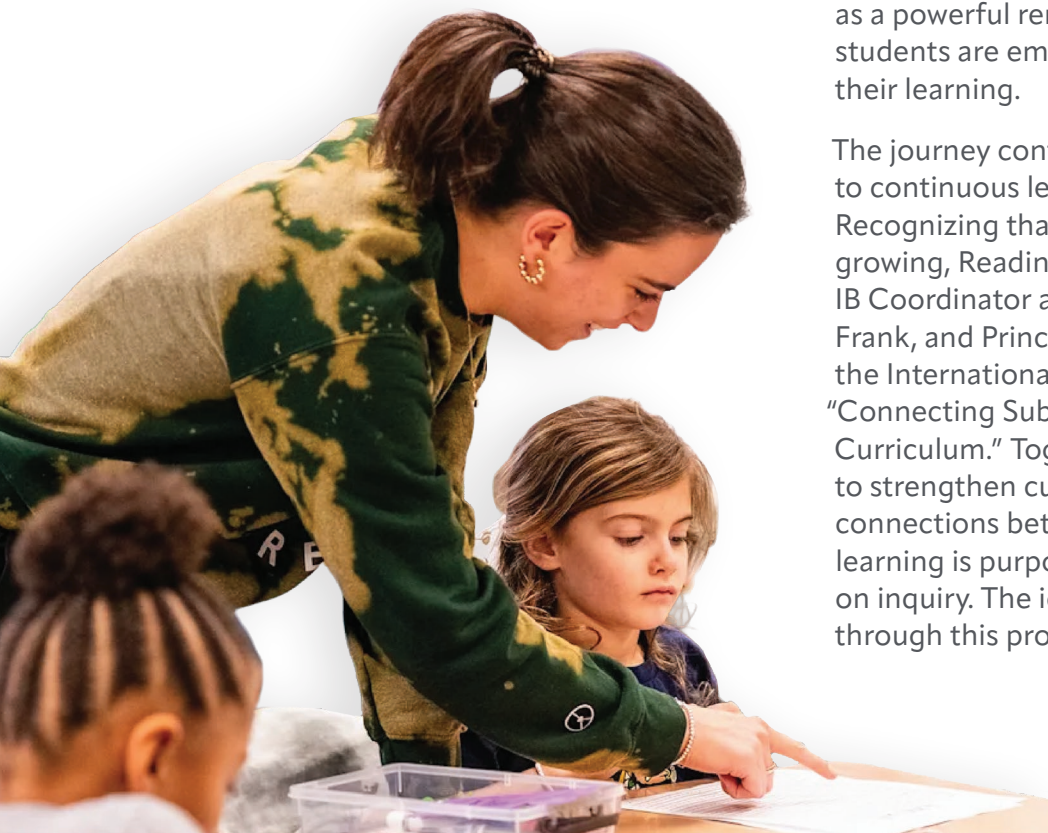

Growing Together Through Inquiry, Innovation, and Faith

At Notre Dame Prep's lower school, every school year tells a story—a story of children discovering their gifts, teachers continually refining their craft, and a community united by faith and a shared commitment to excellence. Throughout this past year, that story has been one of growth, innovation, and an unwavering dedication to providing every student with an exceptional Catholic education.

The journey began this past year, as our faculty embraced the intentional use of provocations—engaging experiences that spark curiosity and inspire questions at the beginning of each International Baccalaureate unit. Rather than simply introducing a new topic, teachers invited students to wonder, investigate, and think deeply before formal instruction even began. Classrooms became places where curiosity was celebrated, questions were valued, and learning was driven by authentic inquiry.

The transformation was evident throughout the year, culminating in one of the most meaningful milestones of the Primary Years Program: the Fifth Grade Exhibition. Students confidently shared their learning through presentations that reflected months of thoughtful research, critical thinking, collaboration, and reflection. Families and visitors witnessed students who were not only knowledgeable but also articulate, compassionate, and passionate about making connections between their learning and the world around them. Their confidence and depth of understanding served as a powerful reminder of what is possible when students are empowered to take ownership of their learning.

The journey continued with our commitment to continuous learning as educators. Recognizing that the best schools never stop growing, Reading Specialist Mrs. Jen Wrobel, IB Coordinator and Math Specialist Mr. Paul Frank, and Principal Diana Atkins attended the International Baccalaureate Conference, "Connecting Subjects to Create a Coherent PYP Curriculum." Together, they explored new ways to strengthen curriculum design and deepen the connections between subjects, ensuring that learning is purposeful, meaningful, and centered on inquiry. The ideas and collaboration gained through this professional learning are already

shaping the future of instruction at the lower school, allowing our teachers to create even richer learning experiences for every child.

Our commitment to excellence extended beyond inquiry and into literacy, where we continue to build one of the strongest foundations for student success. Mrs. Wrobel attended the Michigan Reading Conference to further advance our Science of Reading initiative and bring the latest research and instructional practices back to our classrooms. Four years ago, the lower school made the decision to embrace a comprehensive Science of Reading approach, long before many schools began implementing similar programs. Today, that commitment continues to position our students for success as literacy standards evolve across the nation.

Equally important is our dedication to ensuring that every child receives the support they need to thrive. Our comprehensive reading assessment system has become a model for monitoring student growth and identifying early indicators of reading challenges, including characteristics associated with dyslexia. By recognizing student needs early and providing targeted interventions, we are able to meet children where they are, celebrate their progress, and help every learner develop the confidence and skills needed to become a successful reader.

While academic excellence remains a hallmark of Notre Dame Prep's lower school, our greatest accomplishment continues to be the formation of the whole child. Every lesson, prayer, service opportunity, and classroom experience reflects our Catholic faith and Marist values. Our teachers intentionally cultivate classrooms where students feel known, valued, and loved—places where academic achievement is balanced with character formation, compassion, and a deep

sense of responsibility to others. Each day, students are encouraged not only to become strong scholars but also to grow as Christian people, upright citizens, and servant leaders who embody the Marist theme.

None of these successes happen by chance, and none happen alone. Behind every innovative classroom experience, every professional learning opportunity, and every student achievement stands a community of generous supporters who believe deeply in the mission of Catholic education. Their generosity has provided our faculty with opportunities to learn from educational leaders, strengthen our academic programs, and implement innovative initiatives that directly benefit our students.

Because of our donors' faithful support, our teachers continue to grow professionally, our classrooms continue to evolve, and our students experience an education that is both academically rigorous and deeply rooted in faith. Their investment is not simply an investment in programs or resources—it is an investment in children, in their futures, and in the lasting mission of Notre Dame Preparatory School.

As we reflect on another remarkable year, we are filled with gratitude—for our dedicated faculty, our supportive families, our generous benefactors, and, most importantly, for the students who inspire us every day. Together, we continue to build a school community where faith is lived, curiosity is nurtured, excellence is pursued, and every child is prepared to become a lifelong learner and compassionate leader. This is the story of Notre Dame Prep's lower school, and it is one we are proud to continue writing together.

Middle School

Building Character and Leadership in Mary's way

Character is built one experience at a time.

It grows in the moments that challenge students to step outside their comfort zones, serve someone in need, lead by example or stand up for what they believe. At Notre Dame Prep,

those moments happen every day, giving middle school students countless opportunities to discover not only what they can achieve, but who they are becoming.

Few experiences capture that growth better than The Amazing Shake, the school's signature

leadership event. What begins as a handshake and conversation quickly becomes a lesson in confidence, professionalism and resilience. Students learn to think on their feet, communicate with poise and carry themselves with integrity—skills that serve them long after the competition ends.

Leadership takes many forms throughout the year. Eighth graders mentor younger classmates through the House System, setting the tone with their example while helping build a community where every student feels known and valued. This past year also marked the introduction of House Chaplains, recognizing students called to lead their peers in prayer and strengthen the spiritual life of their Houses.

Growth continued beyond the classroom. Whether debating current issues, performing on stage, competing in athletics or serving at organizations like Grace Centers of Hope, Forgotten Harvest, and Oakland Hills Farm & Garden, students were encouraged to use their talents in ways that benefit others. For three students, that journey also included receiving the Sacrament of Baptism, a reminder that faith also remains at the center of the middle school experience.

No single event defines these years. It's the collection of experiences—a conversation, a debate, a service project, a prayer, a championship game—that shapes students of confidence, compassion and integrity.

Upper School

Leading with Purpose, Discovering with Passion

Purpose isn't something students discover after graduation. It's shaped long before they receive a diploma—in classrooms that challenge them to think critically, in service that broadens their perspective, and in opportunities to lead by example.

That spirit defines the upper school experience at Notre Dame Prep.

Students prepare for college through a rigorous academic program, but they also learn that success carries a responsibility to serve others. Seniors volunteered with Life Remodeled. Freshmen prepared weekly meals through the Christian Community Response Team's food insecurity initiative. Sophomores partnered with Grace Centers of Hope, and during Catholic Schools Week, the entire school came together to support families in need through the annual Food Fight benefiting Gleaners.

Leadership often happens in quiet moments. Seniors welcomed lower school buddies with reading time, art projects and simple acts of encouragement. Leadership Day invited

students to look ahead—to future careers, college and new leadership roles—while reminding them that the best leaders are those who serve first.

Faith remains the foundation of that journey. This year, Campus Ministry's new "Exploring Becoming Catholic" initiative inspired students to begin or complete the Sacraments of Initiation, while Peer Mentors helped freshmen find their place in the Notre Dame Prep community from their very first days on campus.

By graduation, our students leave with far more than college acceptance letters. They leave with a deeper understanding of who they are, what they believe and how they can make a difference in the lives of others.

Purpose isn't found in a single moment.
It's lived every day.

LEADERSHIP

Senior Buddy Program

Seniors spent time with lower school students as reading buddies, art projects helpers, Halloween activity spearheading, etc.) The goal is to guide, encourage, and support lower school students while setting a positive example.

Leadership Day

Class leaders for the upcoming academic year are recognized and given a special blessing during Mass. Freshmen and sophomores attended Career Day at UWM Field, learning about potential careers and the paths to achieve them. Following the career fair, freshmen and

sophomores attended that day's baseball game, bringing classmates together to cheer for the same team, build friendships, and create shared memories outside the classroom. Juniors spent the day on a class college visit with their career/collegiate counselors and Community Time teachers, giving students a shared experience as they explored future opportunities together.

Peer Mentor Program

The Campus Ministry program helps incoming freshmen feel welcomed, supported, and prepared for the challenges and opportunities of high school. By connecting new students with experienced peers, freshmen confidence increases, academic and social outcomes improve, a stronger sense of belonging is created and contributes to long-term success in living the mission of NDP.

Athletics

Competing with Heart

At Notre Dame Prep, athletics are about more than wins and championships. They are another classroom where students learn perseverance, leadership, teamwork and resilience—lessons that prepare them for success long after the final whistle.

During the 2025-26 school year, nearly eight out of every 10 students in grades 4-12 chose to don the green and gold, representing the Fighting Irish in 42 sports programs across the lower, middle and upper schools. Whether competing for a state championship, encouraging a teammate, or balancing practices with the demands of the classroom, our student-athletes embraced the values that define Notre Dame Prep's mission: good Christian people, upright citizens, and academic scholars.

Those values produced another remarkable year of achievement. The Fighting Irish celebrated four MHSAA state championships, highlighted by Competitive Cheer and individual state titles from skier Maren Studt NDP'26 and the girls tennis doubles team of Vanessa Artinian and Regina Carpanese. Football finished as Division 5 state runner-up after another memorable postseason run, while Girls Tennis, Competitive Cheer and Football captured regional championships. Volleyball and Girls Soccer added district titles, and six teams advanced to MHSAA State Finals competition.

Success extended well beyond the scoreboard. Twelve teams earned Academic All-State recognition, with 64 student-athletes honored individually for their excellence in the classroom. Fourteen seniors committed to continue their athletic careers at the collegiate level, proving that dedication to academics and athletics can go hand in hand.

Behind every accomplishment is a community committed to developing the whole student. From first-time elementary athletes discovering the joy of competition to seniors signing to play in college, Notre Dame Prep coaches challenge students to compete with integrity, lead with humility and support one another through every victory and setback. Those lessons endure far longer than a championship banner—they help shape graduates who are prepared to lead with confidence, character and faith.
