🎨 INTERACTIVE MEDIA

Create. Design. Innovate. Build Your Future.

Do you love creating, designing, taking pictures, making videos, building websites, or working with technology? Then Interactive Media may be the Career Technical program for you!

Interactive Media combines **creativity, technology, and real-world skills** to prepare students for college and careers in today's digital world. You'll learn how to turn your ideas into professional-looking graphics, photographs, videos, websites, digital publications, and interactive projects.

💻 Learn Industry-Standard Technology

Get hands-on experience using professional software from the **Adobe Creative Cloud**, including:

- **Adobe Photoshop** – Create and edit professional graphics and images
- **Adobe Lightroom** – Organize and enhance digital photographs
- **Adobe Illustrator** – Design logos, illustrations, and vector graphics
- **Adobe InDesign** – Create magazines, brochures, publications, and layouts
- **Adobe Premiere Pro** – Edit professional-quality videos
- **Adobe Dreamweaver** – Design and develop websites

🚀 Build Skills for ANY Career

You don't have to become a graphic designer to benefit from Interactive Media! Almost every career today uses digital media and technology. The skills you develop can be valuable in **business, marketing, education, healthcare, sports, entertainment, communications, entrepreneurship, technology, and many other career fields.**

Throughout the program, you'll work on **real-world projects** that challenge you to think creatively, solve problems, communicate ideas, and use technology to produce professional results.

📁 Build Your Portfolio

Your work becomes your calling card! Throughout the program, you'll create a **professional portfolio** that showcases your creativity, technical abilities, and accomplishments. Your portfolio can be used when applying for:

🎓 College Programs | 💼 Jobs | 🏆 Competitions | 💰 Scholarships | 💻 Internships

⭐ Earn College Credit & Industry Credentials

Completing two years of Interactive Media may provide opportunities to earn **college credit and scholarship opportunities** through participating colleges, including **Edison State Community College and Sinclair Community College**.

Students may also have opportunities to earn **CTAG college credits** and **Adobe Industry-Recognized Credentials**, giving you a head start on college and a competitive advantage in the workforce.

🌟 YOUR FUTURE STARTS HERE!

Learn the technology.
Develop your creativity.
Build your portfolio.
Earn credentials.
Prepare for your future.

Interactive Media — where creativity meets technology!
