Find a ball you can throw in the house (or crumple up a piece of paper). Measure how far you threw it using your feet, a stuffed animal, or a measuring tape. Do this three times. How far was the furthest throw?	Work on www.abcya.com , or www.starfall.com for at least 15 minutes. Be sure that you are working in the reading section of these websites!	Write at least three ways you can show kindness at school or at home.	Technology/STEAM: Make an indoor fort! Then, enjoy reading a book inside of it.
Practice your addition and/or subtraction facts using flash cards or https://www.factmonster.com/math/flashcard?op[0]=addition&level=1 for at least 15 minutes.	Practice your sight words by playing Memory, finding them in a book, using www.sightwords.com , or playing Sight Word Bingo on www.abcya.com .	Write the steps to tell someone else "how to" do something. For example, making cocoa, oatmeal, or a sandwich.	Art: Draw your favorite toy.
Write five addition and/or subtraction number sentences. Solve them by using an addition or subtraction strategy. Explain the strategy or strategies that you used.	Choose a CVC or long vowel word, like bat or kite. Go back and forth with a partner and see how many rhyming words you can come up with!	Create a list of at least 10 solids, liquids, and gases you can find around your house!	Music: Put on some music! Then, march, skip, or hop to the beat!
Work on www.prodigygame.com for at least 15 minutes. Be sure to work in the math area!	Choose a fictional book to read at home or on www.epic.com Talk with someone about the characters, beginning, middle, and end.	What is your favorite season? Write down your opinion and explain why you feel that way.	Gym: Play catch, with a minimum of 20 catches, with a ball or some other item that can be thrown.
