

2026-2027 Title I Family Engagement Policy

Penn-Delco's Title I Program endorses the mission statement of the school district:

The mission of the Penn-Delco School District is to enable all students to achieve, succeed, and excel with emphasis placed on achieving at least a year of academic growth in a year's time, succeeding at mastering "Ready for Life" skills and excelling in the pursuit of a personal interest or talent. In addition, the district implements curriculum aligned with academic standards in an effort to stress high expectations for all students.

The Penn-Delco School District believes that in order to execute our mission, parents need to be aware of the district's programs and involved in support of the programs both in school and at home.

At Back to School Night in the fall all parents are provided with information about the curriculum for the grade level and course from the classroom teachers. Content and assessments are outlined in the presentation and during parent conferences.

To provide additional support to the parents of Title I students, the following opportunities and resources will be provided:

- There will be two annual meetings (Fall & Winter) held to provide information, resources and strategies parents can use to support their child at home. Additionally, at the fall "Back to School Night" meeting, the Title I supervisor will present an overview of the Title I program and policies and each Title I teacher (reading and mathematics) will provide an outline of the instructional plan for the students.
- The Title I teacher Schoology page will provide parents with information on how to help their child at home. Included on Schoology will be links to online information that can provide additional at home ideas and activities.
- Notifications of events and progress will be sent regularly through Schoology.
- All teachers have an email address and voicemail so that parents can easily communicate with the Title I teacher at any time throughout the year with questions and/or concerns.

In order to provide opportunities to discuss each student's progress, parents are invited to conferences being held in November both in the afternoon and evening. Parents/Guardians can also access their child's progress through the Skyward system.

An annual parent feedback meeting will be held following a survey sent to the parents in the Spring. Parents/Guardians will be asked to provide feedback and suggestions to improve the policy and family engagement in the Title I program for subsequent years.

The policy will be distributed yearly during the week of the annual fall meeting in a format that is understandable and in the appropriate language.

Important Dates and Times for 2026-2027

September 17, 2026

6:00 – 6:30 Title I Parent Meeting (NMS Library)

6:30 - 7:30 Back to School Night Teacher Presentations

November 23, 2026
