Bear Family,

As we reflect on the 25th anniversary of the September 11, 2001 terrorist attacks, we are reminded of the profound impact that day had on our country and on so many families and communities. Over the past two days, our Social Studies Department dedicated the class time to teaching students about the events of September 11th and their lasting significance. As a school community, we held a building-wide moment of silence to honor and remember the lives lost and all those who were impacted. It is hard to believe that we have now reached a point where an entire generation of students has been born after September 11th, making our responsibility to teach its history and significance even more important. Through education, reflection, and remembrance, we can help ensure that the lessons and sacrifices of that day are never forgotten.

I would also like to extend a sincere thank you to all of our parents and guardians who joined us for our annual Back to School Night. We greatly appreciate you taking the time to visit East Brunswick High School, meet our teachers, and learn more about the experiences and opportunities available to your children this year. The partnership between our families and our school is incredibly important, and we are grateful for your continued support. For anyone who was unable to attend, or for those who would simply like to revisit the message, I have [hyperlinked](#) our Back to School Night video.

Seniors must register for a senior portrait sitting to be included in the yearbook. There is no cost to sit for a senior portrait and no purchase is required. Click [here](#) to register for a senior portrait. Families are also welcome to use a different photography vendor if they choose.

Have a great day and as always.... (dramatic pause) Go Bears!
