RECITATION: *Thirty Days Hath September*

There are many versions of this poem. Here is the one that we are using:

“Thirty days hath September, April, June, and November.

All the rest have thirty-one.

**BUT, February has twenty-eight alone;
Except in leap year, that’s the time, when February’s
days are twenty-nine.”**

Field Day Lunch:

Due to the field day schedule, students will be eating lunch in the classroom on September 17th. All students need to have a sack lunch. If a student wants a school sack lunch, orders need to be placed by Tuesday, Sept. 15th. Please email your child’s teacher with your plan.

The sack lunch includes:

A sunbutter sandwich, a piece of fruit, a small bag of crackers or chips, and a juice

Important Upcoming Dates:

- **September 17th:** Field Day; Students wear class shirt and athletic bottoms
- **September 18th:** Teacher In-Service (No Students)
- **September 28th-30th:** Archaeological Dig (Your teacher will provide specific dates and times)
- **October 1st:** October Count Day (See info below)
- **October 2nd:** Grandparents Day

Help Needed:

We're looking forward to our upcoming Archaeological Dig! To help make this day a success, we are asking for parent volunteers to help prep the dig site. Please bring gloves, shovels, rakes, and weedwhackers, but we ask that you not bring your kids. We want this to be a surprise for them. Thank you for your partnership and support.

Please use this link to sign-up to help on September 25th, 1:30-2:30:

October Count Day:

This year, our count day is Thursday, October 1, 2026. Through this count, TCA reports all students who are actively enrolled and attending classes.

The count supports the State in determining funding eligibility for our students and is very important to our school, the district, and to the funding of our programs. Please make every effort to have your student in attendance during the count period of September 24 through October 8, 2026, and especially October 1. Avoid scheduling appointments or vacation. If your student is not in attendance on Count Day, the school must provide additional documentation to the Colorado Department of Education (CDE) that your student attended with us both before and after their absence. If you know your student will be gone from October 1, 2026, through October 8, 2026, please complete a pre-arranged absence form.

A Look into What We're Learning:
