Go Gold, Barons! Shine a Light on Childhood Cancer

September is recognized nationally as Childhood Cancer Awareness Month. A time to honor young cancer fighters, support families, and raise vital awareness for a cause that touches communities across our state. In Ohio alone, approximately 559 children and teenagers are diagnosed with cancer each year.

To show our support for these brave students and families, Buckeye Valley Local Schools will have **Shine Gold Day** next week.

- **Date:** Friday, September 18th
- **What to Wear:** Gold or yellow clothing and accessories
- **Who Can Participate:** All students, staff, and Buckeye Valley community members

By wearing gold on September 18th, you help shine a bright light on childhood cancer, bringing hope, awareness, and visible support to those affected by this disease. Let's fill our hallways and classrooms with gold!
