

South Carolina Communities That Care Survey

Thank you for agreeing to participate in this survey. The survey asks your opinion about a number of things in your life, including your friends, your family, your neighborhood and community. Your answers to these questions will be **confidential and anonymous**. This means your answers will stay secret. Your name will never be asked. Please **do not** write your name on this survey form.

This survey is completely voluntary. This means you do not have to take it. You may skip any question you don't want to answer.

Instructions

This is not a test, so there are no right or wrong answers.

Each question should be answered by marking only one of the answer spaces. If you don't find an answer that fits exactly, use one that comes closest. If any question does not apply to you, or you are not sure of what it means, just leave it blank.

Your answers will be read by a computer. Please follow the instructions carefully.

Make heavy marks inside the circles using a pencil.

Completely erase any answer you want to change.

Make no other marking or comments on the survey.
