

Our primary focus this week has been our roofing projects at Freeman Elementary and Nelson Elementary.

We are continuing to work on roofing for both schools but are starting to see the end getting close.

Roof construction currently being done at Freeman Elementary and Nelson Elementary is anticipated to be completed by the following dates, weather and construction conditions permitting:

- Freeman Roofing Application Completed by 9/16/2026
- Freeman Metal Work / Coping Cap Completed by 10/2/2026
- Nelson Roofing Application Completed by 9/25/2026
- Nelson Metal Work / Coping Cap completed by 10/9/2026

As for the walkway at Freeman, the framing of the walls started today and will continue throughout next week.
