Photography and Media Release Awareness Form

Dear Parent/Guardian,

From time to time, Peninsula Montessori School may take photographs or video recordings of students to:

- Document learning experiences
- Celebrate student achievements
- Promote school-related activities

These images may appear in school publications such as:

- BAND
- Yearbooks
- School website
- Official social media platforms
- Newsletters or promotional materials

You may indicate your permission preferences on the reverse side.

Use by Other Parents or Event Attendees

Please note:

During school-wide events such as assemblies, parades, concerts, or festivals, parents and guests may take photos or videos for personal use and may share them on personal social media or other platforms.

Peninsula Montessori School does not regulate or control how such images are captured or shared by others.

By allowing your child to attend these events, you acknowledge that their image may be captured and shared by others outside the school's control.

If this is a significant concern, you may choose to have your child opt out of participating in school-wide events.
