

Crowley ISD Points of Pride

Thursday, September 10, 2026

1. QSN Parent Access Zoom

Middle school families - mark your calendars for the Parent Access Zoom meeting on Tuesday, September 15th. Our partners with the **Quinnite School Network** has prepared an engaging experience designed to keep you informed and involved in your child's middle school journey. There will be breakout rooms and opportunities to win gift cards. Every student in attendance will receive a special surprise from their campus. The meeting starts at 6pm and you can find all the details on ParentSquare.

2. Hispanic Heritage Month

Diversity is our superpower in Crowley ISD and we're excited to celebrate the rich history, culture and contributions of Hispanic and Latino Americans throughout National Hispanic Heritage Month! We'll wrap up the celebration on **Saturday, October 17th** with the annual Hispanic Heritage Quiz Bowl! Admission is free and the event will take place at North Crowley High School. It's a great opportunity to cheer on our students!

3. NCHS Homecoming

It's homecoming week for the North Crowley Panthers and this year's theme is "Disco Fever." Students and staff have enjoyed daily dress-up days and the campus hosted a parade and community pep rally last night. The Panthers face-off against Summer Creek High School Friday night at CISD Multi-Purpose Stadium, and the homecoming court being recognized during the pregame festivities. The week-long celebration will conclude with the dance Saturday night. Happy Homecoming, Panthers!

4. Attendance Matters

September is Attendance Awareness Month, and every day matters! Being at school every day gives students more opportunities to learn, connect and succeed. Families, help us make attendance a priority. Let's work together to ensure our students are present, engaged and ready to learn every day! Because in Crowley ISD... Every Day Matters!

5. Choir Performance at Minor League Baseball Game

Congratulations to our choir students from **Crowley High School, H.F. Stevens Middle School, and Richard Allie Middle School** as they came together to perform the National Anthem at the Frisco RoughRiders baseball game last week!

You can hear their performance on the Crowley ISD Facebook page, and it is great to see our students getting the opportunity to share their talent outside of the classroom. From the middle schools to Crowley High, we are proud of you all!

6. CMS Paints with Parents

The Crowley Middle School PTO recently hosted a fun **Paint with a Parent** event on campus to connect families and help them engage with their children. Families were able to spend the evening painting their own panther artwork while sharing time and laughs together. This was a great idea and the perfect opportunity for parents to build positive memories with their children. Great job, CMS!

7. Voter Registration

Get ready to make your voice heard, CISD! National Voter Registration Day is September 15th, and we want to help out students age 18 and older get registered to vote. There will be campus drives happening at the end of the month and we will also have voter registration assistance available at the Crowley vs. North Crowley football game on September 25th. Be on the lookout for registration tables at your school, and special thanks to the Fort Worth Alphas, March To The Polls, and our Student Voter Empowerment Clubs for powering our youth vote!
