INVESTING IN OUR SCHOOLS

Twin Hills voters have approved Measure A, a $14 million general obligation bond to improve and modernize our schools. The Citizens' Bond Oversight Committee (CBOC) ensures that bond funds are spent as promised with transparency, accountability, and a focus on our students and community.

WHAT DOES THE CBOC DO?

- Reviews and reports on the proper expenditure of Measure A bond funds
- Ensures funds are used only for authorized school facilities projects
- Provides independent oversight to the Board and community
- Helps maintain transparency and public trust
