RCPS COUNSELING DEPARTMENT

Let's Talk

powered by Gaggle Therapy 

Roanoke County Public Schools is proud to announce the launch of "*Let's Talk*," a new telehealth service available for elementary, middle, and high school students and parents/guardians. Through this new service, students/parents/guardians can receive up to five (5) free counseling sessions for a variety of issues including:

- ▶ Relationships
- ▶ Stress
- ▶ Anxiety/Depression
- ▶ Coping with grief or loss
- ▶ Any other difficult life situation

Like so many communities across the country, the Roanoke Valley faces a challenge when it comes to local availability of licensed mental health counselors due to overwhelming demand. *Let's Talk* helps bridge that gap and connects students and parents/guardians to critical counseling services. The *Let's Talk* service, powered by Gaggle Therapy, is possible thanks to a grant from the Virginia Department of Behavioral Health and Developmental Services.

This program will support students and parents/guardians through direct counseling, prevention, and early intervention services, delivered by a contracted mental telehealth provider. The goal is to improve access to care by reducing barriers such as transportation and scheduling challenges, supporting early identification and intervention for mental health concerns, and fostering a more supportive and responsive school environment that promotes wellness and academic success.
