## Sec. 3. OVERSIGHT OF DAILY OPERATIONS

The Board's daily oversight and management of AAL shall be through a chief executive officer, titled the Superintendent. As the Board's representative, the Superintendent shall oversee and be responsible for the daily implementation of Board adopted policies, plans, budgets and other actions and resolutions.

## Sec. 4. BOARD POLICY TO SUPPLEMENT LAW AND RULES

The policies adopted by the Board shall not supersede and are not in lieu of the legal requirements set out in state and federal law and rule. In any instance in which Board policy conflicts with state and Federal law or rule, the pertinent legal requirement will govern and control.

In accordance with Texas Education Code § 1.007, where the Texas Education Code or other law mandates the school or the governing body of the charter school to adopt a policy, the Board and all officers and employees of AAL shall implement and comply with each such policy.

## Sec. 5. POLICY DEVELOPMENT AND ADOPTION

In collaboration with Board members, AAL personnel, legal counsel, parents, and the public at large, the Superintendent may develop and propose to the Board policies that address legal requirements and/or best practices. In its sole discretion, the Board may consider and adopt the policy recommended by the Superintendent. A policy shall be adopted and become effective upon favorable approval by a majority of the Board members present and constituting a quorum at a regular or special meeting of the Board. The Board may adopt a policy with a later effective date if a majority of the Board designates a later adoption.
