It is AAL's responsibility to ensure that the student's parent understands the language used in the survey and its implications. The original copy of the survey shall be kept in the student's permanent record and transferred to any subsequent Texas public school districts in which the student enrolls

The TEA-developed home language survey shall be administered in English and a language that the parents can understand.

1. The student's ability in English is so limited or the student's disabilities are so severe that assessment procedures cannot be administered;
2. The student's score or relative degree of achievement on the TEA-approved English proficiency test is below the levels established by TEA as indicative of reasonable proficiency;
3. The student's primary language proficiency score as measured by a TEA-approved test is greater than the student's proficiency in English; or
4. The LPAC determines, based on other information, including a teacher evaluation, parental viewpoint, or student interview, that the student's primary language proficiency is greater than the student's proficiency in English or that the student is not reasonably proficient in English.

Tex. Educ. Code § 29.056(c).

e) *Parent Notice and Consent*

A change between bilingual education and ESL program placement requires new parental approval using the TEA-developed change in placement letter. *19 Tex. Admin. Code § 89.1240(a)(2)*.

If a parent denies program placement at any point, the TEA-developed denial letter shall be used to ensure parents are informed of the implications of program denial, including understanding that the child will continue to be identified as an emergent bilingual student and will continue to be assessed annually using the Texas English Language Proficiency Assessment System ("TELPAS") until reclassification criteria have been met. *19 Tex. Admin. Code § 89.1240(a)(3)*.

Pending completion of the identification process, receipt of LPAC documentation for transferring students, or parental approval of an identified emergent bilingual student's placement into the bilingual education or ESL program recommended by the LPAC, AAL shall place the student in the recommended program. However, only emergent bilingual students with parental approval for program participation will be included in the bilingual education allotment. *19 Tex. Admin. Code § 89.1220(j), (m).*
