Joint Development

The School-Parent Compact is collaboratively developed and Reviewed annually by parents, students, and staff. Discussions take place during the annual Title I committee meeting and Campus Educational Improvement Committee (CEIC) meetings. All parents are invited to provide input and feedback throughout the year, which is used during the annual review process held each spring.

Annual Review and Distribution

The School-Parent Compact will be reviewed annually with input from families and staff. It will be updated each spring to reflect evolving academic goals and parent feedback. The final version for each school year will be shared with families at the beginning of the school year and will be made available in print and online formats.
