FORMING MINDS FOR COLLEGE, HEARTS FOR HEAVEN

MESSAGE FROM LEADERSHIP

Dear Shareholders of All Saints Catholic School,

Every morning at All Saints, our scholars are greeted with these simple words: “Welcome Home. We’ve been waiting for you.” More than a greeting, these words express who we are: a Catholic community where every child is known, loved, challenged, and formed in the image of Christ.

As I reflect on the 2025–2026 academic year, I do so with profound gratitude. It was a year of growth, innovation, faithful stewardship, and an unwavering commitment to our Catholic mission. Every lesson, prayer, investment, and decision was guided by one enduring purpose: to prepare our scholars not only for college, but for Heaven. This Mission Impact Report tells that story.

The numbers matter. Enrollment, academic achievement, financial stewardship, and philanthropic support help measure the health of our school. But our true impact is found in the moments behind those numbers: a child discovering the joy of learning, a student encountering Christ in the sacraments, a teacher answering a vocation, a family growing in faith, and a graduate leaving All Saints prepared to lead with faith, wisdom, and compassion.

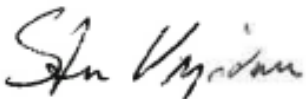

None of this happens alone. Parents, faculty and staff, donors, volunteers, parishioners, alumni, and community partners each play an essential role in this mission. Your investment goes far beyond tuition or charitable gifts. You invest your confidence, prayers, time, and hope in the lives of our scholars.

As you turn these pages, I invite you to look beyond the numbers. Behind every statistic is a child whose future is being shaped, a teacher answering God's call, and a community committed to forming the next generation of Catholic leaders.

Together, we are building far more than an excellent school. We are building a legacy of faith that will endure for generations.

Thank you for believing in Catholic education. Thank you for believing in All Saints. Most importantly, thank you for believing in our scholars.

With gratitude and every blessing,

STEVEN VIRGADAMO
HEAD OF SCHOOL

CATHOLIC IDENTITY

FORMING SAINTS FOR THE MODERN WORLD

ENROLLMENT AND EVANGALIZATION

Every Enrollment Begins with an Invitation

Enrollment is an act of evangelization, inviting families to encounter Jesus Christ through a community where faith is lived, children are known, parents are respected as primary educators, and every scholar is challenged to become the person God created them to be.

Throughout 2025–2026, every campus visit, classroom tour, and conversation became an opportunity to share the joy, faith, and academic excellence that define All Saints. Through the generosity of faculty, families, scholars, ambassadors, alumni, volunteers, parish partners, donors, and school leadership, new families discovered they were joining more than a school.

The John and Helen McDaniel Endowed Scholarship

\$150,000

**ONE GIFT. GENERATIONS OF
IMPACT.**

PHILANTHROPIC MILESTONE

One of the most significant philanthropic milestones of 2025–2026 was the establishment of the John & Helen McDaniel Endowed Scholarship, made possible through a transformational \$150,000 gift from the John McDaniel family.

Inspired by the education and faith formation experienced by their children at All Saints, the McDaniel family chose to create something permanent—a fund that will help deserving scholars access an authentically Catholic education for generations to come.

THE ENDOWMENT SEQUENCE

**GENERATIONS OF
ALL SAINTS
SCHOLARS**

"We wanted to honor my grandparents, two people my father adored because of the encouragement they gave him throughout his life. Establishing a scholarship at All Saints was a natural fit."

We wanted to honor them in a place they called home, while also supporting All Saints in providing other students with the same strong educational foundation it gave our two sons. We see a beautiful parallel between the encouragement my grandparents gave my father and the encouragement All Saints gives its students. Finally, the scholarship allows us to continue my grandmother's Roman Catholic faith, which inspired her to support others throughout the challenges of the Depression and World War II. We are very happy to honor their legacy through All Saints Catholic School."

GOVERNANCE AND PARENTS AS PARTNERS

Shared Responsibility. Shared Mission.

One of the greatest strengths of All Saints Catholic School is the understanding that educating a child is never the work of one person or one institution. It is a sacred partnership built upon faith, trust, transparency, and a shared commitment to forming young people in the image of Christ.

Throughout the 2025–2026 academic year, we continued to strengthen that partnership.

RETURN ON MISSION

Parents remained our most important partners throughout the year.

At All Saints, parents are not observers.

They are collaborators.

They are advocates.

They are stewards.

They are shareholders in the mission entrusted to us by Christ.

Together, we are forming scholars whose success will be measured not only by what they accomplish, but by the people they become.

Because of your partnership:

- ✓ Parents and educators work together to form the whole child—intellectually, spiritually, humanly, and apostolically.
- ✓ An engaged Advisory Board provides strategic guidance while safeguarding the Catholic mission and long-term vitality of All Saints.
- ✓ Parents have meaningful opportunities to help shape the life of the school through the Principal's Advisory Council, Parent Coffees, and ongoing dialogue with school leadership.
- ✓ Updated governance practices strengthen accountability, transparency, and sustainability for future generations.

STUDENT LIFE AND ATHLETICS

Forming Leaders Beyond the Classroom

At All Saints Catholic School, education extends far beyond the classroom walls. While academic excellence remains a cornerstone of our mission, we believe some of life's most important lessons are learned on athletic fields, on the stage, through service, within our House System, and during the traditions that unite our community.

Throughout the 2025–2026 academic year, I witnessed scholars discovering talents they never knew they possessed, building friendships that will last a lifetime, and developing the confidence that comes from belonging to a community rooted in faith.
