Safe rides are back in session

Metro's school transportation delivers confidence to parents and students from bus-stop to bell-ring. Our direct routes are part of Metro's Peak Service and provide connections between many neighborhoods and schools in Rock Island-Milan and Moline districts.

Ready to ride to school

- Close to home and available at no cost.
- Metro puts health and safety first for all its riders with professional, experienced bus drivers ready to help.
- Rock Island Sheriff's Deputies and K-9 units provide peace of mind.
- Track your student's ride and see their real-time ETA with the **transit** app.

Metro Manners

- Be respectful to the driver and fellow passengers.
- Use indoor voices.
- Pay attention to your surroundings and know when to get off the bus.
