

Welcome to Springfield Local High School

Welcome to Springfield Local High School, where excellence is expected, character is cultivated, and every student is known, valued, and encouraged to succeed.

It is my privilege to serve as principal of Springfield Local High School and to work alongside an exceptional team of educators and staff who are committed to providing our students with the opportunities, support, and experiences they need to reach their full potential. Together, we strive to create a school environment that is safe, welcoming, challenging, and built upon mutual respect.

At Springfield, we believe education extends well beyond the classroom. Academic achievement is central to our mission, but so too is helping our students develop the character, confidence, responsibility, and resilience necessary to become successful adults. Through rigorous academics, career and college preparation, athletics, extracurricular activities, the arts, and service to others, we want every student to discover their strengths, pursue their interests, and find a meaningful place within our school community.

Strong schools are built on strong relationships. The partnership among our students, staff, families, and community is one of Springfield's greatest strengths. By working together and maintaining high expectations for ourselves and one another, we can provide an educational experience that prepares our students not only for graduation, but for the opportunities and challenges that await them beyond high school.

Thank you for visiting our website and for your interest in Springfield Local High School. I encourage you to explore the many outstanding programs, resources, and opportunities available to our students and families.

I am proud to serve this school and community, and I look forward to continuing our work together to make Springfield Local High School and Tiger Nation a place of excellence, pride, and purpose.

Sincerely,

Dr. David J. Malone
Principal
Springfield Local High School
