

Elementary School Halal & Kosher Meal Pilot Program

Several years ago, the district began offering Halal and Kosher meals at our high school. This program was then expanded to our middle schools. Beginning next week, we are offering a Halal and Kosher option on Tuesday and Wednesday at our elementary schools. If you are interested in ordering Kosher or Halal meals please review the information below and fill out the form (link or redirect) and return to kball@syossetschools.org by the date indicated on the Halal Kosher order form.

Food Processing & Certifications

Kosher

Kosher sandwiches will be prepared by Bagel Boss in their Kosher kitchen. All items will be delivered pre-wrapped combined with other items to make full lunch.

Halal

Halal chicken and beef products will be purchased and prepared in the ovens in the school buildings. These products will be prepared in our standard ovens on a clean tray lined with parchment paper. Halal products will not be placed in the oven at the same time as any pork products.

The School District or Whitsons has not undertaken a separate or independent review of the certifications to determine their accuracy or validity, and therefore encourages you to carefully review them to determine whether they meet your dietary needs.

Certifications
