

PANTHER POST

FRIDAY, SEPTEMBER 11TH 2026

Boyer's Buzz

Never forget, 9/11/2001! Today marks the 25th Anniversary of a day that will live in infamy in our country. KIS students were informed and reminded of all that took place during that day through a series of announcements.

Also, with Labor Day being so late this year, we are well into September and only three weeks remain until Fall Break. We have a ton of events coming up:

- 1.College Go Week next week
- 2.Homecoming Week 9/21 - 9/25 with the parade and activity night on 9/23.
- 3.Fall ECA Pep Session - 9/25
- 4.Final Week of the Nine Weeks - 9/28-10/2

We also have some very important testing coming up over the next couple of weeks. Students will be taking their ILEARN practice tests, for the school year, next week during their respective ELA and Math classes. Then the following week, students will take the ILEARN Check Point 1 on Tuesday and Thursday. We are still waiting for the final ILEARN scores from last Spring.

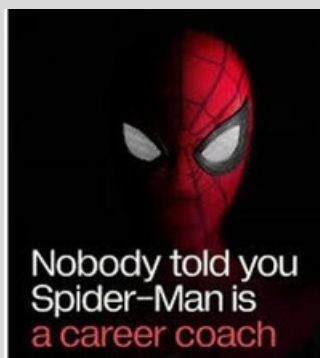

Have a great weekend!

IN THE NEWS...

KIS Character Matters!

Every month KIS selects an important character trait that all KIS students should demonstrate to be successful members of society. Every week during that month, teachers nominate those students who portray the monthly character trait. This month is RESPECT!

Important Dates

- 1.Sept 14-18th - College Go Week - Dress up Days
- 2.Sept. 21 - 25th - Homecoming Week - Fictional Places - Dress Up Days

Indiana College Go! Week Next Week (September 14th through September 18th)

Dear KIS Families,

Next week, September 14th–18th, our school will be celebrating College GO! Week! (We are celebrating a week early to fit our upcoming Homecoming schedule.)

Students will participate in interactive classroom College & Career Readiness presentations daily centered around the latest movie, Spider-Man: Brand New Day.

Why Spider-Man?

Peter Parker's story connects remarkably well to College & Career Readiness. As Peter navigates adulthood, independence, problem-solving, and figuring out his future, he realizes his real power doesn't just come from superpowers—it comes from understanding his strengths, making smart choices, working with others, and building a "WEB" of knowledge.

Our Theme: "What's Your Superpower?"

Middle school isn't about choosing a lifelong career right now. It is about self-discovery—learning what skills students naturally enjoy using and whether they prefer working with people, information, things, or ideas.

We will be introducing our 6th graders to the RIASEC Career Model (our 7th graders and 8th graders have already been introduced and been using this model) to help them frame their unique strengths:

- Realistic: Building, fixing, and working with tools.
- Investigative: Science, research, and analyzing options.
- Artistic: Creating, designing, and storytelling.
- Social: Helping, teaching, and counseling.
- Enterprising: Leading, persuading, and starting businesses.
- Conventional: Organizing, managing, and working with information.

Students will also learn fundamental future readiness concepts, including understanding their high school diplomas, earning credits, transcripts, trade school and college applications and setting long-term goals.

COLLEGE GO WEEK!
Dress-Up Days!
September 14th - September 18th

Monday 09/14/26	Tuesday 09/15/26	Wednesday 09/16/26	Thursday 09/17/26	Friday 09/18/26
