Band Reminder

Please remember that 5th- and 6th-grade band students must have their own instrument to play. Instrument choices include flute, clarinet, trumpet, saxophone, trombone, and percussion. Students should also have any extra materials needed to play their instrument, such as reeds or valve oil. Students will also need Habits of a Successful Beginner Band Musician, Book #1.

Families may use any vendor to purchase or rent an instrument. A few local options include Royalton Music, Rettig Music, or Music & Arts.

Please reach out to Mrs. Buchanan with any questions.

New Visitor Check-In Procedures

We're excited to share that our building has upgraded to a new visitor management system, Navigate360, to help keep our students and staff safe. Starting now, all visitors, including parents and guardians, will need to enter through the front door on Commonwealth Ave.

Please remember to bring a valid driver's license (or other government-issued photo ID) any time you're picking up a student, visiting a classroom, or entering the building for any reason. This allows us to quickly and securely check you in and keep an accurate record of everyone in the building.

We appreciate your patience as we get used to this new system, and thank you for helping us keep our school safe and secure.

Breakfast and Lunch

Breakfast is served daily starting at 8:40 a.m. School menus are available [at this link](#). As a reminder, breakfast and lunch are free for students this year. Students may also choose to pack their lunch.

If you think you may be eligible for reduced student fees, you must still complete an application. More information can be [found here](#).

Students may bring a water bottle to carry to class each day. We ask that all other food be consumed only in the cafeteria during breakfast and lunch times.

Pickup and Drop-Off Procedures

Students may not be on school property and will not be supervised before 8:40 a.m. Students may get dropped off to eat breakfast starting at 8:40 a.m. Walkers and bike riders should enter the building through the front main entrance. Car riders should get dropped off via the car loop in the back lot.

At 3:25 p.m., all students will be dismissed from PAGE. Walkers and bike riders will be dismissed out the front main entrance. All students must cross at a crosswalk. Car riders will be dismissed at the back carpool line. Please do not arrive before 3:00 p.m. to enter the carpool line, as other programs will be dismissed. [This image](#) may help to visualize the car line process.

Students may not cross the parking lot to get to cars at dismissal. Please do not call students to your car. It is important that everyone go through the car line for the safety of our students.

If your student is enrolled in EDC, they must be dropped off and picked up at Thoreau Park Elementary. Our staff will supervise students as they get on and off the bus at each school.

Student Absences

While student attendance is essential, there will be times when our students get sick and must miss school. If your student will be absent, please call our building secretary, Christine Kirsh, at (440) 885-2390. The clinic can be reached by calling the same number and listening to the options, or by calling (440) 885-3764.
