What is Title I?

Hogansville Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent involvement.

Title I schools must jointly

develop with all parents

a written parent and

family engagement

policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Hogansville Elementary School (HES) will provide opportunities to improve parent and family engagement to support student learning. HES values the contributions and involvement of parents and families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that HES will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

HES invited all families to attend our annual School Improvement Forum last spring to review and revise this parent and family engagement policy, the school improvement plan/schoolwide plan, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Center. The plan is posted on our school website for parents and families to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. HES will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is available to all students. Copies of the plan will be available at our Annual Title I Parent Meeting at the beginning of the year. The plan is also housed in the Parent Resource Room as well. The plan will also be posted on the school website.

School-Parent Compacts

As part of this plan, HES and our families will develop school-parent compacts by grade level. These are agreements that parents, teachers, and students will develop that explain how all parties work together to make sure our students reach grade-level standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year.

Parents will receive a copy of the compact to keep at home.

Compacts will be reviewed with parents during the year, as well.

Let's Get Together!

Hogansville Elementary School will host the following events to build the capacity for strong parent and family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. Many meetings will be offered at 2 different times to accommodate our families. Invitations will be sent via our communication system, Tuesday folders, and will be shared on social media and in grade level newsletters. We may also be able to offer childcare during meetings if needed. Please call the office about this service.

Parent & Family Engagement

HES believes that parent and family engagement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents and families play an integral role in assisting their child's learning.
- That parents and families are encouraged to be actively involved in their child's education at school.
- That parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

HES is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you miss a meeting and would like a copy of the minutes.

Hogansville Elementary School's Family Liaison

We have a Family Liaison in our building who strives to strengthen ties between home and school. Mrs. Melanie Baswell is an asset to our school. Her main goals are to be available to parents based on their needs, coordinate parent programs, and maintain the necessary Title I documentation for the system and state. If you have not met Mrs. Baswell, please come by the school.

Parent Advisory Council

HES invites all parents to join the Parent Advisory Council (PAC) to share ideas and ways to involve other parents and to build partnerships with school, families, and the community. The council meets several times during the school year. Dates will be posted on our website and invites to meetings will come home in Tuesday folders each month.
