DISD Prekindergarten

Dear Parents,

At Denton ISD, we empower lifelong learners! Education is a team effort, and we know that students, parents, teachers, and staff members, all working together, will make this a wonderful year for your young learner. We thank you for entrusting us with educating your child.

All DISD-offered early childhood programs focus on the individual academic, behavioral, social, and emotional needs of each child. We understand the importance of parent involvement and encourage you to become partners with us in the education of your child.

All Pre-K are considered Denton ISD students. Please read the DISD Student & Parent Handbook for a more comprehensive resource.

Should you have any questions regarding the DISD Pre-K program, please contact your child's teacher or the principal of the campus in which your child attends. Thank you for supporting Denton ISD and the DISD prekindergarten program. We sincerely look forward to working with you and your child this year!

Sincerely,

*Dr. Ashleigh Bible

Materials and Supplies

Parents are responsible for purchasing students' school supplies and materials. Please reach out to your campus for an updated school supply list or view it on our Denton ISD webpage. Your child needs to bring a backpack to school each day. Please write your child's name on their backpack.

Cancellation of Participation in the Program

A child's participation in the program could be canceled by the district for the following reasons:

- Failure to make payments.
- A pattern of late pickups.
- Failure to pay late fees.
- Continuous behavior that affects the learning of others.

A child's participation in the program may be canceled by the parents with two (2) weeks' written notice to the Early Childhood Director. The tuition for the month of withdrawal will not be prorated.

Updated 9/11/2026

Program Guidelines

- Behavior - All PreK students must follow the Denton ISD expectations for student behavior. If persistent negative behaviors interfere with the learning and progress of other students, the parent/guardian will be notified.
- Rest Time - A rest time is provided each day. You may send a blanket in your child's backpack each day. Your child may also bring no more than one small stuffed animal that will help him/her to rest. Children who will not nap will participate in quiet activities.
- Suspected Disability - If at any time the campus suspects a student has a disability, school personnel will follow the Denton ISD guidelines to pursue a referral for evaluation of the suspected disability. The parent/guardian of the child will be notified regarding any academic, behavioral, social, or emotional concerns. If the child qualifies for an Early Childhood Special Education program (ECSE), they must withdraw from the PreK Academy and enroll in the appropriate program.

Attendance

Your child must attend school every day. Once a student enrolls in a public school system, they are subject to compulsory attendance rules (TEC §25.085(b)). Students with ten absences and tardies may be dropped from the program at the discretion of the campus. If your child will be absent, please inform the campus at your earliest convenience to provide written documentation of absence.

Breakfast, Lunch, and Snacks

Breakfast and lunch are available for purchase in the cafeteria each day. Parents are also responsible for providing a snack for their child each day. Please be sensitive to food allergies. We ask that all snacks be peanut-free.

Dress Code

Students should follow the Denton ISD dress code. For students to be able to participate in school activities, they must wear closed-toe shoes each day. Please ensure that your child always has a change of clothes in their backpack. Please write your child's name on all outerwear. Please note that Denton ISD is not responsible for lost clothing items.

Health and Wellness

All campuses are staffed with a registered nurse. When your child is ill, please contact the school to let us know he or she will not be attending that day. It is important to remember that schools are required to exclude students with certain illnesses from school for periods, as identified in state rules. For example, if your child has a fever over 100 degrees, he or she must stay out of school until fever-free for 24 hours without fever-reducing medications. A complete list of conditions for the school can be obtained from the school nurse.

Medication that must be administered to a student during school hours must be provided by the student's parents in the original container. All medication, whether prescription or nonprescription, must be kept in the nurse's office and administered by the nurse.

For students in PreK, the student's teacher or other district personnel will apply sunscreen to a student's exposed skin if the student brings the sunscreen to school and requests assistance with the application of the sunscreen. Nothing prohibits a student at this level from applying their sunscreen if they can do so.

Transportation

Transportation by Denton ISD may be provided for eligible 4-year-old students. It is expected that prekindergarten students arrive by the start of the school day at 7:40 am and are picked up at the end of the school day at 3:00 pm. If you are interested in after-school care, please contact the DISD Extended School Day office. Per Denton ISD policy, children will only be released to persons listed on their pick-up list.

Inclement Weather

The Pre-K Program follows Denton ISD's school closings. If there is inclement weather, please check the district website, TV channels or Radio for the latest information regarding school closings. The district will make-up any additional bad weather days. Credit will not be offered for these days.
