

EMERGENCY REMOTE INSTRUCTION (ERI) SCHEDULES

2026-2027

Important Information for families

Dear Families,

Thank you for your continued support as we implement our Emergency Remote Instruction (ERI) plan at Primrose School. We understand that balancing remote instruction with family life can be challenging, and we truly appreciate the effort you are making to ensure your child continues to experience meaningful learning. The instructional day will be a combination of LIVE instruction via Teams and asynchronous work that students will complete off screen.

- Instruction on all Remote Days will begin at 10AM.
- Students will engage in a minimum of two hours of live instruction from the classroom teacher and specialists.
- Your child will need: **District issued iPad, charger, QR code from teacher**

To help your child have a successful remote learning experience, please review the following.

- Ensure your child's iPad is fully charged before each session.
- Choose a quiet, distraction-free location where your child can focus and learn.
- If an adult is assisting, please remain off-screen during instruction.
- Have all necessary learning materials nearby (paper, pencils, crayons, and any materials sent home by the teacher).
- Teams links for all learning sessions can be found on your classroom teacher's SeeSaw page.
- Review Virtual Learning Expectations with your child (e.g., cameras on, microphones muted unless speaking).
- For technical assistance, please contact our Technology Help Desk by submitting a support ticket here.

Thank you again for your partnership and flexibility. We appreciate your commitment to supporting your child's education during this time.

Sincerely,
Katie Winter and Meg Benedetto

Teams – LIVE instruction

Off camera work

Primrose Elementary School
Remote Instruction Expectations for Students (Grades K–2)

When we learn online, we promise to:

Be Kind and Respectful

- Be kind to everyone in our school community.
- Use kind words and good manners.
- Be patient with our teachers and classmates if technology doesn't work perfectly.

Be Ready to Learn

- Charge your device every night.
- Bring home your school materials each day, just in case.
- Be dressed and ready for school (just like we are in the classroom)
- Sit in a safe, quiet spot where you can focus.

Ask for Help

- Tell your parent, teacher, or another trusted adult if you need help.
- Let your teacher know if something isn't working.

Be Prepared

- Have your materials ready (paper, pencil, books, etc.).
- Log in on time with help from a grown-up if needed.
- Follow your teacher's schedule for live lessons and activities.

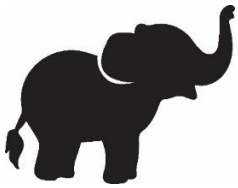

Be a Good Online Learner

- Keep your camera on so your teacher can see you.
- Keep your microphone OFF until needed.
- Listen carefully and raise your hand (or use the raise-hand button) to speak.
- Participate by answering questions, sharing ideas, and working with classmates.
- Try your best to finish and turn in your work.
- **Adults helping at home must be off screen.**

Remember:

We do NOT:

- Record our class or take pictures/videos without the teacher's permission.
- Use silly names. We use our real name.
- Join a class that is not ours.
- Use pictures or backgrounds that are not school-appropriate.
