Where Learning Begins with a Strong Foundation

We proudly offer a Half-Day 4K program, helping our youngest learners start their educational journey in an engaging environment designed to spark curiosity and joy of learning.

Education That Builds the Whole Child

Sánchez is committed to providing a well-rounded education rooted in high academic expectations and meaningful community connections. We create space for students to develop not only strong academics, but also social-emotional skills, creativity and leadership.

Opportunities On and Off the Field

After school, students can participate in free Basketball and Flag Football Clubs led by our Assistant Principal, Mr. Blue, along with many supportive staff volunteers. In addition, our gym and fields are active hubs for Madison Schools and Community Recreation (MSCR) and local youth sports organizations in the evenings—keeping our campus full of energy and community connection.

Celebrating Culture and Community

Sánchez is home to vibrant annual events that bring families and cultures together, including our beloved Día de los Muertos celebration, the exciting Cheetah Chase and the always-popular Sánchez Fun Fair, all supported by our dedicated PTO. These events build pride, unity and lasting memories.

Madison Metropolitan School District

(MMSD) is the place where your child will truly thrive. We welcome all children and foster a strong sense of belonging, ensuring every student feels valued and supported.

At MMSD, we believe in exploring a wide range of interests and providing opportunities that help students discover their passions, talents and unique potential. From arts to sciences, technology to sports, there's something for every child to explore and grow!

We're proud to have the support of our community, with newly renovated high schools, a new elementary school and 10 new buildings coming soon. These modern spaces create an environment for future-ready opportunities that will set your child up for success!
