A Strong Start, A Bright Future

Huegel is proud to offer both Half-Day 4K and Full-Day 4K programs, providing our youngest learners with the foundation they need to succeed. Whether just beginning their school journey or preparing for the next chapter, every child is welcomed into a supportive, engaging environment.

We Are a Community School

As a designated Community School, Huegel is more than a place to learn—it’s a hub for support, connection and partnership. We work closely with families and community organizations to meet the needs of the whole child and create a sense of belonging for everyone.

Leadership, Expression and Belonging

Students at Huegel are encouraged to lead and express themselves in meaningful ways. Programs like the Huegel Step Team, Black Girl Magic and the Latino Student Leadership Group offer space for identity, confidence and connection. Our MSCR afterschool program keeps learning and fun going well into the afternoon.

Families Lead the Way

We are powered by strong family partnerships. The Huegel PTO, Huegel African American Parent Power and Engagement Network (HAPPEN) and the Latino Parent Group work together to ensure all families are engaged and empowered in our students’ journey.

Traditions That Bring Us Together

Huegel’s annual events build pride, joy and lasting memories. From Popsicles on the Playground and the Fall Festival to our DJ Dance Party, Students vs. Staff Hoops Contest and Remember Me Event, every gathering reflects our spirit of community. We close each year with a joyful End-of-Year Carnival for all.

Madison Metropolitan School District
