

Dear Governor's Ranch Families,

The GRE Library Birthday Book Club is a new optional program to celebrate your child's birthday in a special way and help our library collection grow.

Participation in the program involves a \$20.00 donation per book (per child).

Participating students will get to select a NEW book from the library's Birthday Bookshelf to **donate** to our school library collection. Inside the book they choose, we will affix a bookplate with your child's name, year, and photo of them. The birthday child also has the honor of being the first student to check out the book. Children will have a special appreciation for the books they select to add to our library shelves, and enjoy sharing them with their classmates and teachers. Students will also receive a Birthday bookmark to take home. The Birthday Book Club is a wonderful way to commemorate a special occasion and to help our library maintain a current and high-quality collection.

If you would like for your child to participate, you may pay the Optional \$20 (per child) donation in your fees in Infinite Campus. We will run Birthday Book Club reports at the beginning of every new month. I will help your child select a book on or near the child's birthday. If they have a summer birthday, I will get them to select a book on their half-birthday. Your generosity will celebrate your child's birthday, support literacy, and benefit all GRE students. Thank you for your participation and support of our school library!
