

Wine Pull

A Helpful Guide for Donations

Our Wine Pull is one of the most fun and engaging ways to support St. Mark's. We ask for donations of high-quality, premium bottles of wine. At the Soirée, guests purchase a ticket to randomly select a number—the number corresponds to a mystery bottle from the collection. Your generous donation helps us create a high-value game that directly funds our St. Mark's students.

Donation Details

Your contribution helps us build a robust collection of exceptional, desirable bottles of wine.

- To ensure an appealing selection for all participants, we highly encourage donations across all red wine varieties, though whites and champagne will also be accepted.
- We request a minimum bottle value of \$50. A value of \$100 or more is strongly encouraged to create the most valuable collection for our guests.
- Watch for upcoming opportunities to conveniently purchase and donate wine for the Wine Pull (details to come).
- You have two convenient ways to submit your wine donation:
 - Campus Drop-Off: Bring your bottle(s) directly to the Advancement Office on campus during regular school hours.
 - Coordinated Pick-Up: To schedule a drop-off or pick-up at an alternate location, please contact [Kristin Lenoir](#).

Your support is essential to the success of our Soiree. By donating to the Wine Pull, you join our community of supporters dedicated to St. Mark's mission. Thank you for choosing this exciting way to invest in the future of our students. We appreciate your generosity!
