"My favorite memory is, when 'The Minecraft Movie' came out, the DnD meeting following that was a blast. We stopped mid-game to talk about the movie. We were all laughing and having a great time saying all of the silly phrases. In that moment, I felt so close with all of the members, and it is a moment that definitely stands out to me and will remember."

Yearbook Club

Jackson Winney, Karamia Vollero, Ariya Morey, Alexis VanNostrand, Madison Bradwell

"The Yearbook Club plays an important role in capturing the memories, achievements, and personality of our school community. It's more than just putting together pictures — it's about telling the story of the year in a way that students will look back on for years to come. We customize each yearbook to reflect B-P pride, making sure every page highlights what makes our school unique, from events and traditions to student life.

"One special feature we included this year was the survey results. The information we gathered was embedded throughout the book, accompanied by graphics. These give an inside look at students' favorite things — like music, hobbies, likes and dislikes, and memories from the year — adding a personal and fun touch. It helps make the yearbook feel more connected to the students themselves, turning it into something everyone can relate to and enjoy."

Stephen Tomlinson
Superintendent of Schools

To the Class of 2026:

As you look back at the halls you've walked and ahead to your next big adventure, take a moment to be proud of how far you've come. Your time here has been about so much more than just tests and grades. You have shown incredible grit, humility, and courage throughout your journey in Broadalbin-Perth.

Whether you found your place in the classroom, on the stage, or on the field, you made a real difference here. You've shown us that life and humanity are about being kind to others and having the courage to do what's right.

As you start your next chapter, whether that's college, a new job, or the military, take the lessons that you have learned with you, knowing that you did it your way. Don't be afraid to make mistakes, keep learning, and always stay true to who you are.

No matter how far your dreams take you or where you end up in the world, never forget where you started. Broadalbin-Perth will always be your home, and you will always be a part of this family.

Congratulations! I am so proud of you, and I can't wait to see the incredible things you do next.

With great pride,

ST
Mr. Tomlinson

"As our seniors begin the next chapter of their journey, we wish them success, happiness, and the courage to chase every opportunity ahead. To our underclassmen, continue building on the traditions, pride, and excellence that make our school special as you move forward into the next school year."

Mrs. Hulbert, I can't thank you enough for everything you've done for me. You've guided me, supported me, and believed in me even when I didn't believe in myself. You've always told me the truth, even when it wasn't what I wanted to hear, and that's something I truly respect and appreciate more than I can explain. It's helped me grow into a stronger person. I'll never forget the time I was crying in class, and you told me, "There is no crying in math." Even though it was hard at the moment, I understand now what you meant and why you pushed me the way you did. It's stuck with me, and it's made me tougher and more confident. I honestly wouldn't be who I am today without you. You've made such a huge impact on my life, both in and out of the classroom, and I am so lucky to have such an amazing person in my life.

Vinny,

From homework to game time, you somehow make it all look easy. Your love, dedication, and determination in the classroom and on the court make us proud every single day.

Keep pushing yourself and remember – we'll always be your biggest fans.

Max, Go do big things!

Aunt Tracey

From your first day of kindergarten to your last first day of high school, from backpacks bigger than you to hallways you once ran through, from learning your ABCs to discovering who you are. Your first day of kindergarten was filled with wide eyes, brave smiles, and hands that still needed holding. Your last first day of high school came with confidence, courage, and dreams bigger than we ever imagined. Every year in between shaped you – the friendships, the lessons, the setbacks, the victories. You grew not just older, but stronger, kinder, and wiser. We are so proud of the journey you've taken and even more excited for where you're going next. Never forget where you started, and never doubt how far you can go!

Congratulations, Justine!

Love, Dad, Mom, Grandma Mary's, Aunt Bobbie, Jeanell, and Jaelynn
