

WHO WE ARE

Centennial High School is home to the Knights with a richly diverse student body of approximately 1,600 students whose culture, race and ethnicity, and socio-economic backgrounds produce a rich mosaic that comprises Centennial's dynamic learning environment. As one of only a few authorized International Baccalaureate Diploma Programme schools and one of only a few certified AVID schools, Centennial offers a unique and proven four-year college preparatory education where students think, learn, collaborate, and create. Proudly, Centennial is recognized by many publications for its academic excellence. Students, faculty & staff, and parents embrace Centennial's leadership and partnership with its community to ensure...***"Our Best Days Are Ahead!"***

INTERNATIONAL BACCALAURATE

The IB Diploma Magnet Program is for academically motivated 11th and 12th grade students. It is a rigorous, globally recognized two-year college preparatory program that emphasizes academic excellence, critical thinking, intercultural understanding, and personal growth. The IB Magnet Program prepares students for success in college by developing strong research, writing, time management, and leadership skills.

ACADEMICS

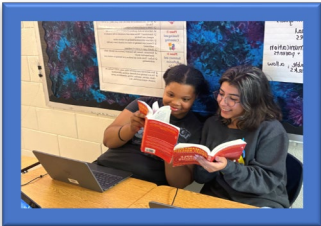

Centennial offers a wide range of academic experiences. In addition to IB and AP College Board course offerings, students can select from Career Tech pathways, three different World Languages and Fine Arts. From International Baccalaureate scores that exceed world averages to AP scores garnering designation as AP Honor School in 6 areas, Centennial's academics create success with a 95.26% graduation rate.

ATHLETICS

Centennial has 26 competitive athletic teams that continue to build a winning tradition year after year. CHS teams advanced to the Region 6-AAAA competitions in Fall 2025 for Cross Country & Football; Winter 2025 for Boys Basketball, Wrestling, & Swim & Dive; and Spring 2026 for Boys & Girls Soccer, Boys & Girls Lacrosse, and Boys & Girls Tennis. State-level appearances were earned in Cross Country, Wrestling, and Swim & Dive.

FINE ARTS

Centennial's fine arts program earned recognition at the 2025 Georgia National Fair Youth Art Exhibition, with student artists winning awards in five categories. Our performing arts students also excelled, earning second place at the regional competition for their one-act production of *Hadestown*. Our Band, Chorus, and Orchestra programs received Superior ratings and Director Commendations for their outstanding performances.
