

3DE MAGNET AT BANNEKER

(THREE-DIMENSIONAL EDUCATION)

Education for Every Dimension of Life

★ ESTABLISHED 2015

The 3DE Magnet Program at Banneker High School offers a dynamic, innovative program that prepares students to thrive in college, career and life.

GLOBAL PERSPECTIVE

Develop internationally minded leaders who engage with real-world issues through a challenging, globally focused curriculum.

ACADEMIC EXCELLENCE

IB students participate in rigorous coursework designed to strengthen critical thinking, research, communication, and problem-solving skills.

COLLEGE & CAREER READY

Universities worldwide recognize the value of the IB Diploma and the preparation it provides for higher education.

LEADERSHIP & SERVICE

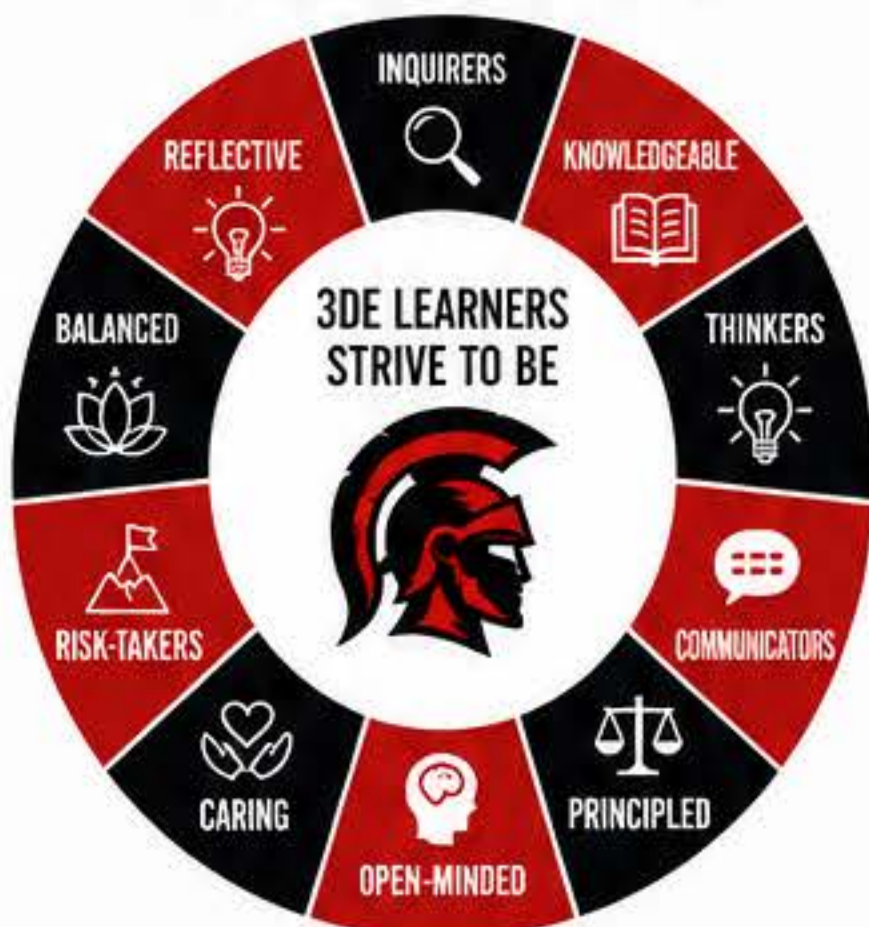

Students grow as leaders through Creativity, Activity, and Service (CAS) experiences that extend learning beyond the classroom.

FUTURE-FOCUSED SKILLS

- Critical Thinking
- Research Skills
- Communication
- Collaboration
- Time Management
- Global Awareness
