A globally focused, academically rigorous education

“One of the advantages of the IB curriculum is its structure and quality. It is a coordinated program, well established, well known and well respected. We know the quality of IB courses, and we think the IB curriculum is terrific.”

Christoph Guttentag, Director of Undergraduate Admission
Duke University

“... IB students who attended Virginia Tech as freshmen significantly outperformed all other freshmen, including students who took Advanced Placement courses.”

Dr. Eugene Carson, Associate Provost
Virginia Tech

“IB Diploma students are mature, curious, and creative. They have engaged in the kind of rigorous work that is likely to help them become not just an outstanding college student and citizen of the world, but an exceptional one.”

Pamela Horne, Director of Admissions & Scholarships
Michigan State University
