

Meet the Teacher

Ms. Randi

About Me

Hi, I'm so happy to be your child's teacher! I have had the joy of working with children for 20 years, including 7 years in a daycare and preschool setting. Working with young children is something I truly love, and I feel grateful to be a part of their early learning and development.

As a one year old teacher, I enjoy creating a warm, loving, and nurturing classroom where children feel safe, supported, and excited to learn. I believe these early years are filled with so many important milestones, and I love watching each child grow, explore, and discover new things.

Outside of the classroom, I love spending time and hanging out with my family, making memories, and enjoying time together. I look forward to getting to know each child and family and making this a wonderful year together!
