

September 14-17, 2026

Kinder Highlights

Please send in any kind of apple for your child- we will be painting a watercolor picture of it and making applesauce! 🍏

What's in the bag letter: Dd

The children are learning new phonograms daily at this point. Did you purchase and receive your Spalding cards? Please contact your child's teacher with questions!

This week: be on the lookout for a printout of data regarding how your child scored on their literacy testing!

This year, our count day is Thursday, October 1, 2026. Through this count, TCA reports all students who are actively enrolled and attending classes. The count supports the State in determining funding eligibility for our students and is very important to our school, the district, and to the funding of our programs. Please make every effort to have your student in attendance during the count period of September 24 through October 8, 2026, and especially October 1. Avoid scheduling appointments or vacation. If your student is not in attendance on Count Day, the school must provide additional documentation to the Colorado Department of Education (CDE) that your student attended with us both before and after their absence. *If you know your student will be gone from October 1, 2026, through October 8, 2026, please complete a pre-arranged absence form.*

Curriculum

Phonograms- We are learning b,e,h,i this week. Please practice all clock letters orally with phonogram cards

Handwriting – We have learned all clock letters: o, c, a, f, g, s, d, and qu. Please practice writing these correctly, starting at “2” on the clock
