

Meet the Teacher

Miss Ezia

HELLO!

My name is Ezia. I am so excited to be working with your little ones! This is my second year here at Overland. Fun fact, I was born in Indonesia and moved to the U.S. when I was 10. I have two pitbulls, Ghost and Apollo. They are my best friends. When I am not working or at school, I love to go shopping and paint banners for fun! I look forward to helping your kiddos grow!

I Love:

- Iced Vanilla Chai
- Homemade Biscuits and Gravy
- Shopping
- Shoes
- Fall Season

EDUCATION:

I am attending Western Wyoming College to get a degree in Elementary Education. I plan to graduate with my Associates and then finish the rest of school online through the University of Wyoming!
