

3DE BANNEKER HIGH SCHOOL STUDENT AND PARENT HANDBOOK

Program Overview

The 3DE Magnet Program at Banneker High School provides a school-within-a-school experience focused on real-world learning, leadership development, college readiness, and career preparation. The program is nationally recognized and centered on the Marketing & Management CTAE pathway.

Mission

Education for Every Dimension of Life through rigorous academics, business-connected learning, service, leadership, and professional skill development.

Program Expectations

- Attend class daily and arrive on time.
- Complete all assignments and assessments.
- Maintain academic and behavioral expectations.
- Participate actively in case challenges, presentations, and business partner experiences.
- Bring a charged device daily.

Academic Expectations

- Minimum 70% academic performance and satisfactory behavior required for admission and continuation.
- Students seeking Honors/AP courses should have earned 80% or higher in middle school core courses.
- Students must participate in PSAT, SAT, ACT, MAP, AP Exams, Georgia Milestones, and YouScience assessments as applicable.

Marketing & Management Pathway

All 3DE Magnet students are required to complete the Marketing & Management CTAE pathway. This is the only mandated magnet pathway for program completion.

Extracurricular Participation

Students are expected to participate in at least one sport, club, leadership organization, performing arts group, JROTC, or other school-sponsored extracurricular activity annually.

Volunteer Service

Students are required to complete a minimum of 20 volunteer/community service hours during their time in the program. Service activities should support community engagement and leadership development.

Parent Communication & Participation

- Parents are expected to maintain current contact information.
- Monitor grades, attendance, and communication regularly.
- Attend parent meetings, showcases, conferences, and program events when possible.
- Respond promptly to communications from the 3DE team.

Admissions Process

Includes application submission, academic and discipline review, school visits/tours, interviews if applicable, admissions notification, acceptance confirmation, enrollment, and School Links assessment completion.

Eligibility Requirements

- Minimum 70% academic and behavioral expectations.
- Georgia Milestones Level 3 or higher.
- Students requiring Algebra or Reading support services are not eligible.
- Minor discipline infractions only.

Upper Grade Admission (Grades 11-12)

Students may be admitted based on transcript review and commitment to complete the Marketing & Management pathway, Dual Enrollment opportunities, and senior program requirements.

Diversity and Equity

The 3DE Magnet Program welcomes qualified applicants regardless of background and is committed to equitable access to rigorous educational opportunities.

Enrollment for Non-Fulton Students

Accepted students not currently enrolled in Fulton County Schools must complete the Fulton County enrollment process and notify Dr. Sharon Smith once enrollment is completed.
