ACADEMIC INFORMATION

Collingwood offers the British Columbia Dogwood High School Diploma, and Advanced Placement courses.

We promote health and wellness as well as a rigorous academic environment. Therefore, we limit the number of AP classes our students can take in the following ways:

- Grade 10: Students can take a maximum of 2 AP classes
- Grade 11: All students take AP Seminar and students can take no more than 4 AP classes
- Grade 12: Students can take no more than 4 AP classes

School policy requires all students registered in an AP course to write the corresponding AP examination set by the College Board.

OUR TIMETABLE

Collingwood runs a “2-5-1” trimester system. All students complete their first 2 courses of the year by the end of October; finish 5 more courses (including all APs) by the end of May; and end the year with H Block.

For Grades 9-11, H Block offers land-based learning opportunities. For Grade 12, H Block is Collingwood U: an experiential semester to prepare for life after high school. Consequently, Grade 12 students complete all their courses and finalize their transcripts by June.

At Collingwood School, we are grateful to live, work and learn on the unceded traditional territories of the Skwx-wú7mesh (Squamish), Selilwətaʔ (Tsleil-Waututh), and xwməθkwəyəm (Musqueam) Nations. We are committed to acknowledging, respecting, and celebrating the land, people and spirit that spans our two campuses, as we aim to cultivate meaningful and long-lasting relationships with Indigenous communities.
