

STUDENT GUIDE TO PARENTSQUARE

We want communication to be clear, timely, and easy to find. ParentSquare gives you one place to receive important school information, stay connected to your teachers and activities, and keep up with what's happening around school.

Our goal is for ParentSquare to be more than just a messaging app. It's a tool that helps you stay informed, connected, and engaged so you can make the most of your school experience.

FACTS AND QUESTIONS

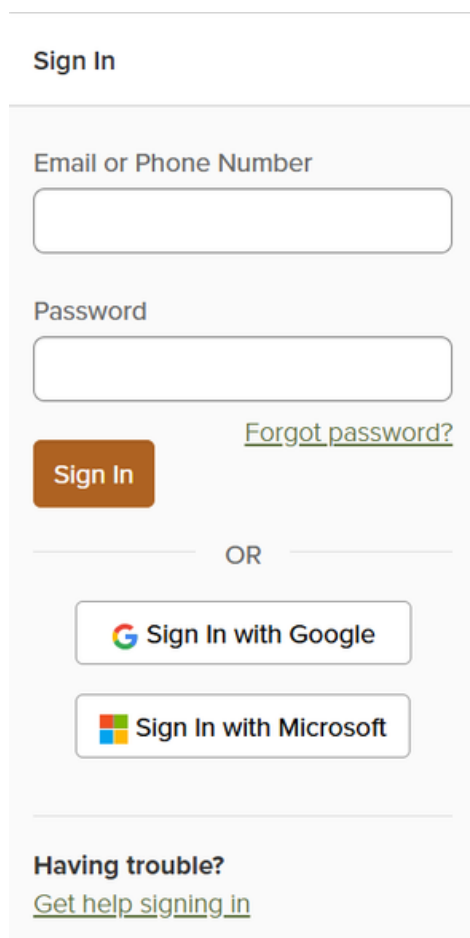

What is ParentSquare?

ParentSquare is the district's communication platform used to share important school information.

Some students, particularly those in middle and high school, may receive classroom or school communications through ParentSquare.

How do I log in?

Sign in on the [ParentSquare website](#) with your Frewsburg Google account.

A screenshot of the ParentSquare sign-in interface. At the top, it says "Sign In". Below that is a section for "Email or Phone Number" with a text input field. Underneath is a "Password" section with another text input field. To the right of the password field is a link that says "Forgot password?". Below the password field is a brown "Sign In" button. Underneath the button is the word "OR" flanked by horizontal lines. Below the lines are two buttons: "Sign In with Google" (with the Google logo) and "Sign In with Microsoft" (with the Microsoft logo). At the bottom, there is a link that says "Having trouble? Get help signing in".

What can I use ParentSquare for?

- Receive announcements
- View classroom updates
- Receive reminders
- Participate in class communications
- View school events

Can I change my notification settings?

Yes. You can customize how and when you receive notifications.

How will it work with extracurricular activities?

Coaches and advisors will use ParentSquare as the primary communication platform for all team and activity-related messages moving forward. Previously used communication apps, including Remind, will no longer be utilized.

For merged teams and activities involving students from multiple schools, each school will share the same messages through its own ParentSquare platform to ensure families receive consistent and timely information from their home school.
