

BUSINESS ACCOUNTING

PATHWAY

PATHWAY OVERVIEW

The Business Accounting pathway helps students build knowledge and hands-on skills in accounting, financial decision-making, banking, and business analytics.

Through Introduction to Business & Technology, Financial Literacy OR AP Business with Personal Finance, and Principles of Accounting I, students prepare for postsecondary education, industry credentials, and work-based learning

CAREER CLUSTER

Financial Services

COURSE SEQUENCE + WORK-BASED LEARNING

1

Introduction to Business & Technology

Explores business concepts, technology applications, communication, and career readiness.

2

Financial Literacy OR AP Business with Personal Finance

Builds financial skills in budgeting, saving, investing, credit, and financial planning.

3

Principles of Accounting I

Introduces accounting procedures, the accounting cycle, financial statements, and analysis.

Work-Based Learning (Capstone Experience)

Apply accounting, banking, finance, and technology skills through internships, business projects, and supervised workplace experiences.
