

AVTF I PATHWAY

PATHWAY OVERVIEW

The AVTF I pathway helps students build knowledge and hands-on skills in technical knowledge, professional skills, and career readiness.

Through Audio-Video Technology & Film, Audio-Video Technology & Film II, and Audio-Video Technology & Film III, students prepare for postsecondary education, industry credentials, and work-based learning experiences connected to the field.

CAREER CLUSTER

Arts, Entertainment & Design

COURSE SEQUENCE + WORK-BASED LEARNING

1

Audio-Video Technology & Film

Develops audiovisual production skills in camera operation, editing, audio, lighting, storytelling, and industry-standard workflows.

2

Audio-Video Technology & Film II

Develops audiovisual production skills in camera operation, editing, audio, lighting, storytelling, and industry-standard workflows.

3

Audio-Video Technology & Film III

Develops audiovisual production skills in camera operation, editing, audio, lighting, storytelling, and industry-standard workflows.

Work-Based Learning (Capstone Experience)

Strengthen employability skills through supervised workplace experiences, career exploration, internships, and community-based learning aligned to the student's goals.

POSTSECONDARY OPPORTUNITIES

LOCAL / REGIONAL INSTITUTIONS

- Atlanta Technical College
- Georgia Film Academy
- Georgia State University
- Savannah College of Art and Design — Atlanta

DUAL ENROLLMENT

Metro-area dual enrollment options may include film/video production, graphic design, animation, digital media, audio/video technology, visual communications, or design programs; verify through Georgia Futures.

GAfutures
Explore. Plan. Succeed.

LEADERSHIP + INDUSTRY CONNECTIONS

CAREER & TECHNICAL
STUDENT ORGANIZATION

COMPETITION OPPORTUNITIES

- Digital Cinema Production
- Television/Video Production
- Advertising Design
- Photography
- Prepared Speech
- Pathway technical events

CHAPTER ACTIVITIES

- Student production project
- Portfolio showcase
- Industry tours
- Film festival entry
- Mock interviews
- Industry critique day

CO-CURRICULAR / INDUSTRY EXPERIENCES

- Adobe Certified Professional
- Student Television Network (STN)
- Job shadowing & internships
- Studio, broadcast, and media-production project-based learning
- Field experiences
