

HONORING HISPANIC HERITAGE MONTH

September 15–October 15

During National Hispanic Heritage Month, we recognize and celebrate the histories, cultures, languages, traditions, and contributions of Hispanic and Latino people in the United States and around the world.

Ideas for Celebrating at Home:

- Reading a book by a Hispanic or Latino author.
- Listening to music from different Spanish-speaking countries.
- Locating Spain, Mexico, the Caribbean, Central America, and South America on a map.
- Talking about your own family's history, traditions, language, or special celebrations.
- Learning about a Hispanic or Latino person who has made a difference.
- We welcome families to share a recommended children's book, family tradition, photograph, song, or cultural connection. Please contact your child's teacher if you would like to contribute.
