

Dear Families,

The Massachusetts Department of Elementary and Secondary Education (DESE) is pleased to share the MCAS Family Portal with you. This online tool lets you see your student's MCAS test results.

Preliminary MCAS results from spring 2026 are available. You will also see your student's results from past years (2023–2025), if available. The Family Portal will be updated in September when final results are ready.

### How to Get Started

Go to <https://mcasfamilyportal.emetric.net>.

### To create an account, you will need

- your student's **registration code** (found in your **Aspen** Family Portal: Navigate to the Family Top Tab then click on your student. You will see the DESE MCAS Registration Code); and
- your student's **date of birth**.
